ELEGANT SOFA OUTLET

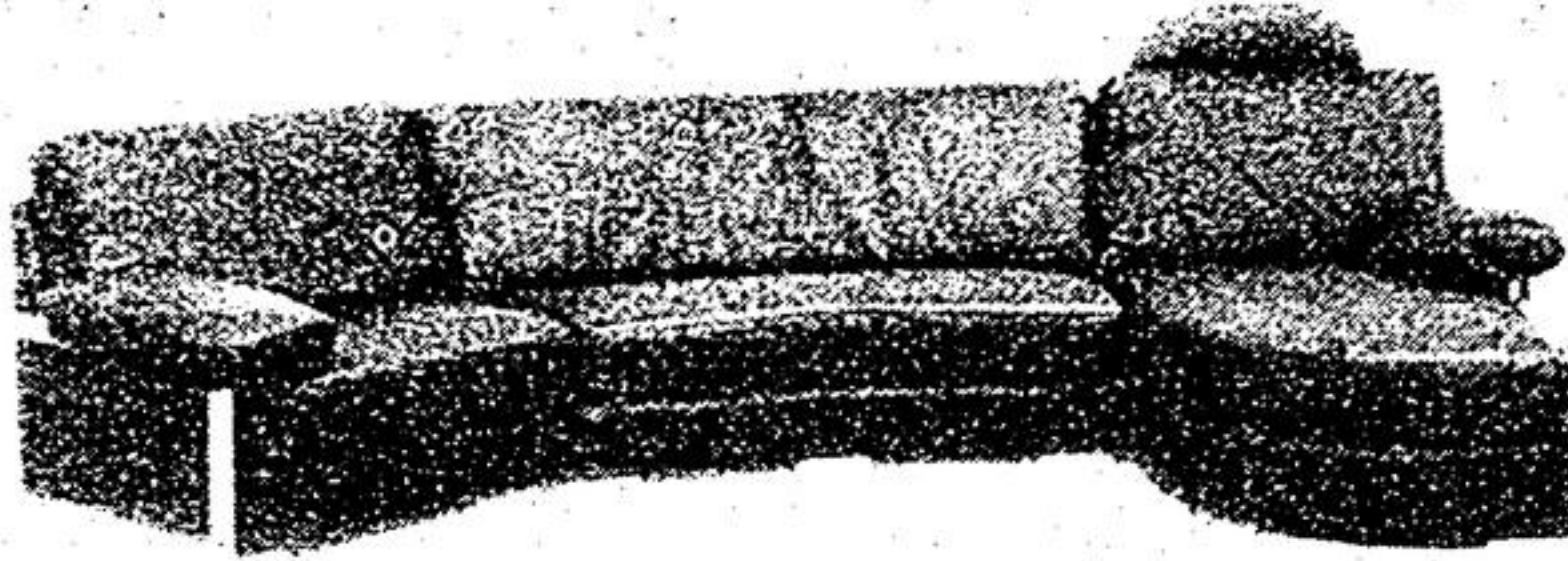

Finding the sofa that perfectly matches your décor once required a lot of time, patience and compromise-but not anymore! Elegant Sofa Outlet is located in Markham and manufacturers customized sofas, ottomans, and sofa beds just for you. Size, style, shape, colour, -the choice is yours!

A sister store to Victoria Furnishings and situated almost next door, Elegant Sofa focuses on Italian leather, all custom-made items at affordable prices. Victorian Furnishings specializes in fabric sofas, and both stores produce and sell sofas directly to the end customer, saving you the hassle and extra costs of the "middleman" retailer.

At Elegant Sofa, customers can choose from among 100 shades of leather to find the perfect match for your home or office. Designing your own made-to-order furniture makes decorating quick and easy! Plus, there is no additional cost for customization, and the store will have the final product delivered anywhere in the GTA for free if your purchase is over \$2,000.

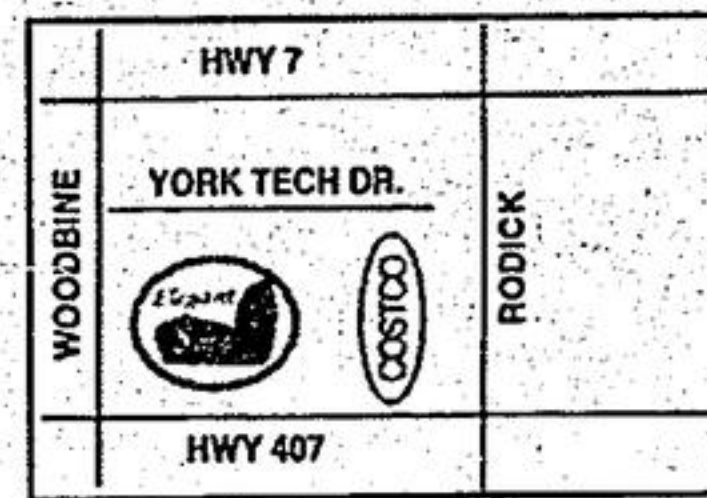

In addition, Elegant Sofa Outlet's team of professional designers can create custom designs for you, in a wide variety of imaginative shapes

and styles. Staff members will help you select a design that suits your individual tastes and fashion requirements, and will also help adjust the stiffness, size and overall comfort level of your new sofa.

No matter what décor, size or shape of a room, a custom-designed sofa can be created that best suits the environment, resulting in a better flow and overall feel of the design elements within the home, while the vase selection of additional furniture guarantees a matching room and complete set. There's simply no need to go anywhere else. If you have an idea in your mind, come let their team of knowledgeable staff help you materialize your idea into reality, and they can even go to your home and measure and design the sofa for you, all for a reasonable price, and at no extra charge for the custom design. So if you want to capture the special décor with the utmost in quality and customer care, visit **Elegant Sofa Outlet** and make the sofa of your dreams a reality.
