The Home of Innovation. The Heart of Community.

A unique blend of four thriving communities – Markham, Unionville, Milliken and Thornhill – the Town of Markham is a distinct and vibrant locale, the largest of nine communities in York Region and Canada's high-tech capital. Not your typical government job, a career with the Town of Markham, Fire and Emergency Services, is packed with challenge, change and the opportunity to make a difference. We offer numerous employment prospects and a wide range of benefit and wellness programs in a stimulating and forward-thinking work environment.

PROBATIONARY FIREFIGHTERS

To qualify as a Probationary Firefighter, candidates must be at least 18 years of age at the time of application, eligible to work in Canada and have a minimum Grade 12 (or equivalent) education (although a post-secondary degree in a related field is desirable). To ensure the safety of themselves, their partners, and the general public, firefighters are required to be physically and mentally fit, have the ability to communicate clearly in English under stressful situations, possess clean driving records and have no criminal records (unless pardons have been granted that have not been revoked). Candidates must also meet the prescribed hearing standards, as well as uncorrected 20/30 and colour vision requirements. Successful candidates must also obtain a DZ driver's licence within six months of employment.

If you possess these attributes and seek an exciting and rewarding career, we invite you to apply online at www.markham.ca/fire, or in person from January 29, 2005 to February 15, 2005, between 8:30 a.m. and 4:30 p.m. at the Town of Markham Civic Centre, Contact Centre (Unionville doors). Qualified candidates will be required to submit to written tests.

No phone calls, please. The Town of Markham is an equal opportunity employer.
