Rosemary's Healthy Product of the Week!

Fresh from the Deli Counter, In Store Made, Sirloin Roast Beef, Eye of Round Roast Beef & Turkey Breast

Our in store made Deli meats are cooked to perfection and All Natural! They contain no preservatives, no additives, and zero nitrates. They are all low in fat, high in Protein (approx. 28g protein / 100 g serving) and contain zero carbohydrates. Tastes great cold in sandwiches, or try the turkey sliced thick and cubed to throw on top of a mixed green salad with your choice of dressing. Also delicious heated up in the microwave if you prefer your meat warm!

TIP: To preserve the meat longer ask the deli clerk to vacuum pack it for you in single serve increments (100 g). It will last longer and it's much easier to take with you if you're on the go!

Available only at The Garden Basket in the Deli Counter.

Prices in effect Thursday, February 3rd, until closing Wednesday, February 9th, 2005.
