Stella Luna performs tonight at Stakeout

Stella Luna will perform her latest original songs along with old favourites tonight at the Stakeout restaurant in Stouffville.

Over the past 18 months, the Stouffville singer/songwriter, also known as Stella Panacci, has been working on a new CD, *Hollowpoint*, recording songs in New York and Toronto.

The CD's producer, who goes by the moniker of Lurch, has worked on recordings by luminaries such as B.B. King.

"I love performing, writing and singing," said Ms Luna, a 12-year veteran of the music business. "I will always be doing this."

The 29-year-old performer, whose style reflects country, folk rock and jazz influences, works with guitarists James Quinn and Darren Donaghy. The band's drummer, Sasha Tukash,

has been with several groups including Platinum Blonde.

At five, Ms Luna began writing and recording songs at home, then took piano and drum lessons and learned to play the guitar.

She was with the band Kat Rocket for eight years, performing in CBC productions and in various locations in Toronto.

She studied percussion and other instruments at York University.

Ms Luna performs several times a week in Toronto and surrounding areas.

She provides the entertainment at the Emerald Isle Feb. 26

Ms Luna is at the Stakeout, 5402 Main St., every other Thursday from 8:30 to 11 p.m.

For more information, call 905-642-5557.
