# SASS CD helps with tsunami relief

A song written by members of Ballantrae Public School's songwriting club will help tsunami victims.

The song entitled Helping Hands is to be released on CD shortly.

More than 20 students in grades 5 to 8 were involved in the two-week songwriting process. They're part of the School Alliance of Student Songwriters (SASS) program introduced to the school last year by Don Quarles. He and another songwriting mentor, Katherine Wheatley, assisted the students. Flute and guitar accompaniment was by music students at the school.

The song will be officially launched at the school Feb. 16 from 7 to 8 p.m. during its first literacy evening. The event will feature professional and student story tellers.

## Our Town

with Hannelore Volpe

The cover photo for Helping Hands was shot by Grade 8 student Bailey Cotter. It shows two children holding hands, with a stylized globe of the world in the background.
