

Make it Great!

February 2005

Dear Community Member,

As a long time resident in Thornhill, and as Senior Vice President at Markham Stouffville Hospital, I am pleased to give you a brief update on what's been happening at the hospital in the last few weeks, including some exciting upcoming events that you and your family may wish to participate.

In late January, we opened our MRI Suite bringing this service closer to home for our patients. We are proud of our MRI Suite which was ergonomically designed with the patient in mind. The Suite boasts a skylight ceiling panel of soft white clouds with backlit illumination, giving the patient a soothing and ambient experience.

Our Foundation is hosting a number of fundraising events that are sure to keep you and your family active, healthy and entertained.

We would also like to thank our donors, especially TACC Construction/DeGasperis Family and The Firkin Group of Pubs, who have been so generous to the Hospital.

I look forward to seeing you at some, if not all, of our FUNdraising events.

Yours truly,
Lorne Zon

Thank You to TACC Construction and the DeGasperis Family for their \$25,000 donation

Cheque presentation of \$25,000 towards the Hospital's MRI
Left (l to r): Mayor Don Cousens, Town of Markham, Silvio DeGasperis, President, TACC Construction, Mary Wilson Trider, Vice President (MSH) and Chad Hanna, President, MSH Foundation

Thank You to The Firkin Group of Pubs for their \$100,000 donation
