Students walk the walk

More than 250 students from Ballantrae Public School walked around their school in the blowing snow Friday to raise money for children with cancer and their families.

Because of the cold weather, part of the walk was inside the school.

Now in its third year, the school's Trekking for Trillium fundraiser has brought in more than \$30,000. The \$10,000 raised this year will enable 20 children and their

families to go to Camp Trillium for a week.

There are two camps in Ontario, near Picton and Waterford. They provide a week of free respite each summer for about 1,000 campers living with cancer and their families.

Grade 6 teacher Alison Williams, a cancer survivor, organized the event. She has volunteered at Camp Trillium for five years. The Camp Trillium Childhood Cancer Support Centre was founded in 1984 in Hamilton.
