Rosemary's Healthy Product of the Week

Kettle Chips - Old Fashioned Gourmet Potato Chips

Kettle foods uses only premium grown Russet potatoes, prized for their hearty flavour and sweet natural sugars. There is absolutely nothing artificial about these chips! No MSG, no artificial sweeteners, flavours or colours. Kettle uses only healthy 100% expeller-pressed, non-hydrogenated, high monounsaturated safflower and sunflower oils. These chips are cholesterol free, high in Omega 6 fatty acids and a source of Vitamin E. Available in a variety of flavours including; salt free! enjoy!

Available at The Garden Basket - in the "Chip" aisle.

### We're Marching into Spring with Paper Eggs to Help Kids with Physical Disabilities Succeed

We are very proud and excited to be participating in this year's Easter Seals "Paper Egg Campaign" to support kids with physical disabilities in our community. Our Paper Egg Kick off will commence Saturday March 5<sup>th</sup> at 11 am and will run until Sunday March 27<sup>th</sup>.

Customers can purchase a Paper Egg for \$2 and their name will be added to a wall of paper eggs to show their support. To show our support, we at The Garden Basket will donate an extra \$1 for every \$2 egg sold! And the first 50 customers to purchase an egg will receive a Free Sp-egg-tacular Mug.

There's more ... A colouring contest will be held for kids to enter to win a fabulous grand prize. For every coloured picture returned we will also donate an additional \$1 to the Easter Seals Kids, and you will receive a Kinder Egg Surprise.

(Pictures available in store. See in-store for more details.) With your participation the Paper Egg Campaign is sure to be a great success.
