putting your energy to good use

Ontario Power Generation (OPG) is an Ontario-based company, whose principal business is the generation and sale of electricity. We currently have opportunities for experienced Engineers to be based in the Durham Region and Clarington areas, approximately 40 km - 75 km east of Toronto.

ENGINEERS

Providing leadership and technical support to the Nuclear Engineering team, you will call on your extensive skills and expertise to provide specialized engineering and technical services to support the safe, reliable, economical and environmentally responsible operation and maintenance of our generating stations in the following organizations:

Projects & Modifications • Engineering Services • Plant Design • Station Engineering

To qualify, you must have a university degree in one of the following areas: Mechanical, Electrical, Civil, Metallurgical, Nuclear or Chemical Engineering, or Engineering Physics. A minimum of four years' engineering experience in a manufacturing or industrial environment (preferably in the power, petrochemical or chemical/process industry) is required. Our ideal candidate is a Professional Engineer (or eligible to become one soon), who is a team player with strong communication, problem-solving and interpersonal skills.

If you are ready to meet these challenges, please apply directly online at www.mypowercareer.com by March 31, 2005. We offer an exciting and challenging work environment, and competitive compensation. You must be eligible to work in Canada.

OPG sincerely thanks all those who apply, however, only candidates selected for testing will be contacted. OPG supports the principles and practices of diversity.

CLUBLINK

ONE MEMBERSHIP more golf

ClubLink, Canada's largest owner, operator and developer of Member and Daily Fee Golf Courses now have an opportunity for an enthusiastic, customer service oriented individual in our Facility Maintenance Department.

Full-Time - Facility Supervisor

Station Creek Golf Club - Gormley, ON
You will be responsible for maintaining the housekeeping standards of ClubLink at the club. This will include: performing minor repairs to building interiors and exteriors, ensuring locker rooms and public areas are clean and that proper supply levels are maintained and ensure that the club's water and sewage systems are properly serviced. You will also play a key role in maintaining the health and safety culture. We require an individual with strong administrative and organizational skills, the ability to manage a variety of projects simultaneously and minimum of 3 years of related experience.

If you are interested in this opportunity, please reply to Lindy Whitelaw by March 14th, 2005 jobs@clublink.ca or Fax: (905) 841-7033
