Great Interior Makeovers Begin with Great Trim

Dale and Patricia Russell, founders of Canadian Trim and Decorative Ceilings Inc., have been beautifying homes in the Markham area for over 14 years. With an early focus on hand crafted plaster crown mouldings and unique decorative ceilings, the Russell's **PLASTERWORKS** brand developed a stellar reputation for quality, reliability and, most importantly, customer satisfaction.

The launch of Canadian Trim & Decorative Ceilings Inc. in March of this year is Dale and Patricia's response to overwhelming customer requests for more trim products to complete their makeovers. The company now offers:

- Dale and Patricia's answer to frequently asked questions is **YES!**
- ✓ We install everything we sell and have a cash & carry program too
 - ✓ We can do curved walls.
 - ✓ We can refinish any ceiling.
 - ✓ We do complimentary in-home consultations.
 - ✓ We offer financing packages
 - ✓ You can view our products in our new showroom located just off the 407.

- ✓ The full line of **Plasterworks** classic plaster crown mouldings
- ✓ Economical MDF and Polyurethane crown mouldings starting at \$4.95 per foot installed
- ✓ A new line-up of baseboard and door casing upgrades that include classic Georgian, Colonial and Contemporary profiles
- ✓ Interior pillars, pilasters and raised panel mouldings
- ✓ Ceiling medallions, corbels and other decorative accents
- ✓ Ceiling refinishing; replacing builders' stucco with classic plaster lace, swirl or other custom patterns developed with the homeowner

"The impact of newly installed crown moulding on a room setting is stunning. Upgrading other interior trims to complement the ceiling mouldings pulls the entire look and feel of the room together. We consider the ceiling the 5th wall. Most people assume they have to live with builders' stucco or are afraid to touch up water marks on ceilings. We love doing ceiling makeovers."

Patricia, who helps homeowners plan their trim and ceiling makeovers via in-home consultation, says people are surprised at how economical it all can be. A 12' X 12' foot room can have crown moulding installed for just \$237.50 and the ceiling in that same room resurfaced for \$360.00.

Canadian Trim & Decorative Ceilings Inc.

Owner Dale Russell believes that his clients say it best. "...our house just did not look complete until the mouldings and ceilings were installed. We painted, bought new furniture etc., but it was the mouldings that pulled the look together. You might say it was the **Crowning Touch to my interior makeover!**"
