On April 12th, 2005 Durham Secondary Academy is opening its doors to the residents of Durham Region to come and see what Durham Secondary Academy is all about. Students and parents are welcome to come from 7 p.m. to 9 p.m..

A place where students enjoy learning. Durham Secondary Academy New Term Starts April 25.

This private institution is the perfect setting for students who are not thriving in their current academic facility. The smaller classes enable qualified teachers to give their students the attention that may be required by the student to get better grades.

Durham Secondary Academy offers classes in four terms throughout the year. In each term students take two courses. The shorter school sessions

enable students to give their courses proper attention and help them achieve better marks for their choice of post secondary education. Summer courses are also offered at Durham Secondary Academy in the same format. Students complete their credit hours in a relaxed atmosphere.

The next term is set to begin on April 25, 2005. Interested

students and parents can contact Durham Secondary Academy or drop in at the open house for more information.
