Do you think your garden shines? Act now...

From page 23

Judges will even look at the density and colour of lawn coverage, how the gardens contribute to their neighbourhoods and what impact they create. Any special features, artfully incorporated into the design, are also appraised, well.

Whether you are a seasoned gardener or an amateur aspiring greatness, the Susie Awards are for you. Regardless of garden size, the categories make it easy for everyone wanting to participate.

For those individuals unsure of their talents, the Susies have a category for profes-

sional businesses as well as apartment buildings, condominiums and townhouses that can involve a group of people working together.

Do you think your garden shines? Do you know someone's that does? Act now. Pick up an entry form at your local community centre. Don't hesitate, entrance deadline is June 15, 2005.

For more information, call the Town of Markham at 905-415-7535, or visit www.markham.ca to download the information and nomination form for the 2005 Susie Awards.

(LEFT)-Whether you are a seasoned gardener or an amateur aspiring greatness, the Susie Awards are for you. Regardless of garden size, the categories make it easy for everyone wanting to participate.
