This year get your mother flowers that weren't picked from her garden!

Right now, Kennedy Greenhouses has the perfect Mother's Day gift with beautiful arrangements in plastic, fibre or coco-lined baskets. These baskets are complimented with a hardy selection of the very best annuals and perennials in Canada. This year, give a gift Mom can enjoy all summer long. And don't worry we won't tell her if you pick up something for your garden too!
