A CARING PART OF OUR COMMUNITY

PERSONAL SERVICE THE KEY

Chapel Ridge Funeral Home & Cremation Centre celebrated its 6th year of service to the community this April. Over 1,400 families have been helped through their time of bereavement, and hundreds more have pre-arranged through Chapel Ridge.

There are three main reasons that people have responded well to Chapel Ridge, according to President Eric Tappenden: "Personal service, trust, and being part of the community," he highlights. "Families tell us they feel well served, that their expectations have been exceeded," says Eric. "Our staff are very professional, but we're caring, compassionate and personal."

charities, to the Rotary Club, the Markham Prayer Breakfast, and organizations like Bereaved Families of York Region to name just a few.

One of the trends that is changing funeral service today is Pre-Arrangement. People are taking advantage of the savings and cost certainty of pre-payment, and the emotional benefits of making decisions ahead of time. Many people choose Chapel Ridge to prepay their arrangements, says Eric, "because they know us, and know we'll be here to serve their families personally for many years to come. Personal service really is the key."

Artistic Impressions Landscaping

Could you imagine the kitchen that is described with words like creamy vanilla cheese cake, smooth milk chocolate and sparkling cherry soda? Sounds delicious, doesn't it? A vision of cream coloured cabinets and dark granite countertops and red chair cushions may come to mind.

We begin with the initial meeting to determine the scope of the project you envision. At the same time you're preparing a concept, you should be considering a budget. We can help you determine realistic solutions tailored to your budget.

Now how would you imagine your garden? Are you inspired by visions of blossoming trees and flowering shrubs and the scent of beautiful flowers? Do you envision a courtyard with interlock pavers and evergreen hedges? Or a terrace with smooth flagstone pavers and a graceful stone wall where you host elegant dinners?

Your garden is a reflection of your personal style. It's an extension of your indoor space.

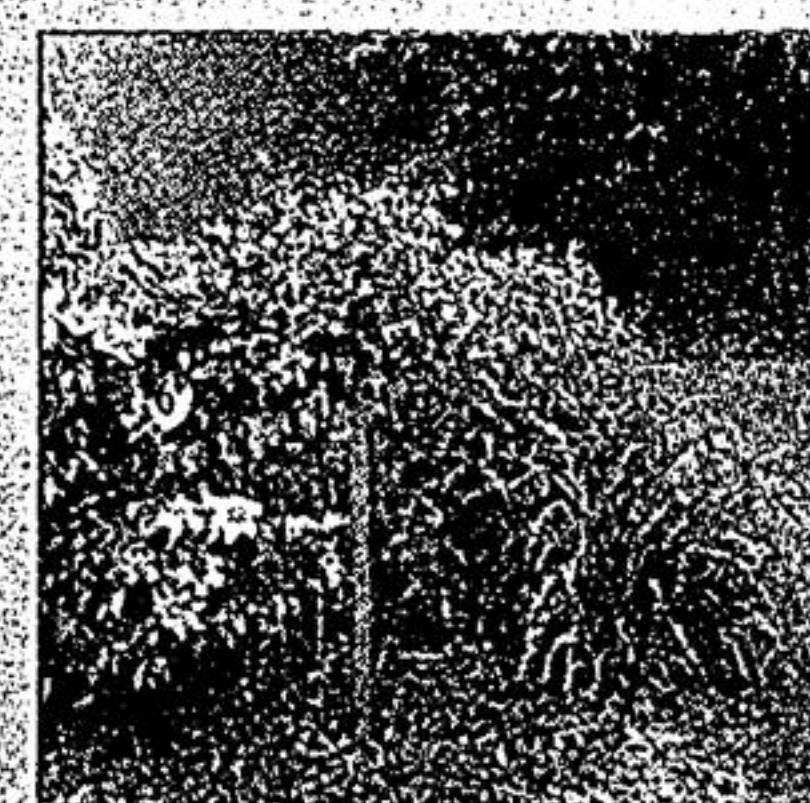

Benefit from our 20 years experience to craft your beautiful garden. From concept to completion, Artistic Impressions Landscaping can construct your inspired dream for your garden.

The design team at Artistic Impressions Landscaping can draft a garden concept and provide cost estimates to execute the plans. After a final design presentation, construction can begin.

The implementation of the garden construction may require the skills of our stonemasons, carpenters, garden designers and our team of tradesmen.
