PROGRAMS FROM PRE-SCHOOL TO HIGH SCHOOL

Summer is when kids learn to swim and play soccer. But why stop there? Children who don't exercise their minds can take up to six weeks to get back into learning when school starts again. In just a few hours a week at Oxford Learning, they can go back motivated and confident, with enhanced skills, ready to learn from day one.

This summer, along with the swimming lessons, enroll your kids in something that ensures their education goes swimmingly too. Bring them to Oxford Learning.

Contact us today for information or to book your no-obligation assessment.
