how to write an ad THAT WORKS!

When placing a Classified ad, include all of these elements for a message that sells!

- Start the ad with the item, service or job you are advertising.
- Provide as much information as you can. The more information, the better the response.
- Always include the price of the item.
- Use large type, white space, borders or graphics - anything that will make your ad stand out.
- To get maximum exposure, run your ad for multiple days. There are new readers every day.
- Use only standard abbreviations, to avoid confusion.
- Most important, call 1-800-743-3353 to place your ad.
