

MARKHAM VILLAGE MUSIC FESTIVAL 2005

Dear Neighbour,

Welcome to the 2005

Markham Village Music Festival!

We are excited to announce two new events at the Festival this year. On Friday evening, we will be introducing Taste of Markham that will feature the many diverse cultural communities of Markham, complete with food, crafts and entertainment. Sunday, there will be a Father's Day Picnic on the lawn of St. Andrew's United Church. There will be a competition for a Father's Day Cry and prizes for the Best Picnic Table.

On Saturday, the street will be turned over to six stages of entertainment and a hundred craft and food booths. Don't forget to take the kids to Morgan Park for the rides, petting zoo and free swimming in Morgan Pool. Please see the articles in this supplement for more details.

I would like to extend a sincere thank you to the organizing committee. Volunteers are the backbone of any community event and these are the folks that have made it happen. You'll see them at the Festival in their bright orange t-shirts.

We're looking forward to a great weekend. See you at the Festival!
