

Town's anti-idling law voluntary

From page 1.

cautioning against any exercises that are too strenuous."

As for keeping students in class, he argued it is often better to be outside, where there's a possibility of a breeze.

Principals will limit outdoor physical activity on bad air days and keep a close eye on students with health problems, Chris Cable of the Catholic school board said.

"We don't have a regionwide policy because conditions can vary from schools near Lake Simcoe to those in,

say, Thornhill," Ms Cable said.

The region is also asking residents to help reduce smog levels by limiting the use of cars, reducing unnecessary engine idling and restricting the use of gasoline-powered lawn mowers and other equipment.

EDUCATIONAL BLITZ

Some GTA municipalities, including Vaughan and Whitchurch-Stouffville, have anti-idling bylaws and are planning an educational blitz for drivers.

Vaughan's bylaw calls for fines if the temperature is below 27 C, but

bylaw officer Tony Thompson said they'll be issuing warnings to idlers beginning Friday, regardless of the temperature.

"It's more of an education thing," Mr. Thompson said.

Whitchurch-Stouffville is already doing that, according to senior bylaw officer Keith Saunders.

"Our bylaw is voluntary, but it allowed us to put up signage in public areas and we will also respond to areas where there are typically idling engines; outside schools, for instance, to talk to drivers," he said. "Sometimes, education is better than enforcement."

Heritage train offers special holiday treks

With Maple Leafs flying, the York-Durham Heritage Train will run on Canada's birthday. The train departs Uxbridge Station at 11 a.m. and 3 p.m. and departs Stouffville Station at 1 p.m.

Special runs will be made all day July 2 at frequent intervals from Stouffville GO station in the heart of the Strawberry Festival. The fare is \$5 for all passengers. Infants under 1 year old ride free.

Youngsters can bring their teddy bear along to get "checked out" by Dr. Bill and

ride the Teddy Bear Trains July 3.

Children who bring a teddy bear will enjoy a complimentary ride, when accompanied by an adult rider.

Scheduled runs depart Uxbridge Station at 11 a.m. and 3 p.m. and depart Stouffville Station at 1 p.m. and (one way only) at 4:15 p.m.

The York-Durham Heritage Railway is a non-profit organization operated by volunteers.
