

Wierdest, shortest in museum exhibit

The Whitchurch-Stouffville Museum's summer exhibition, Extra Special Things, is on until Sept. 9.

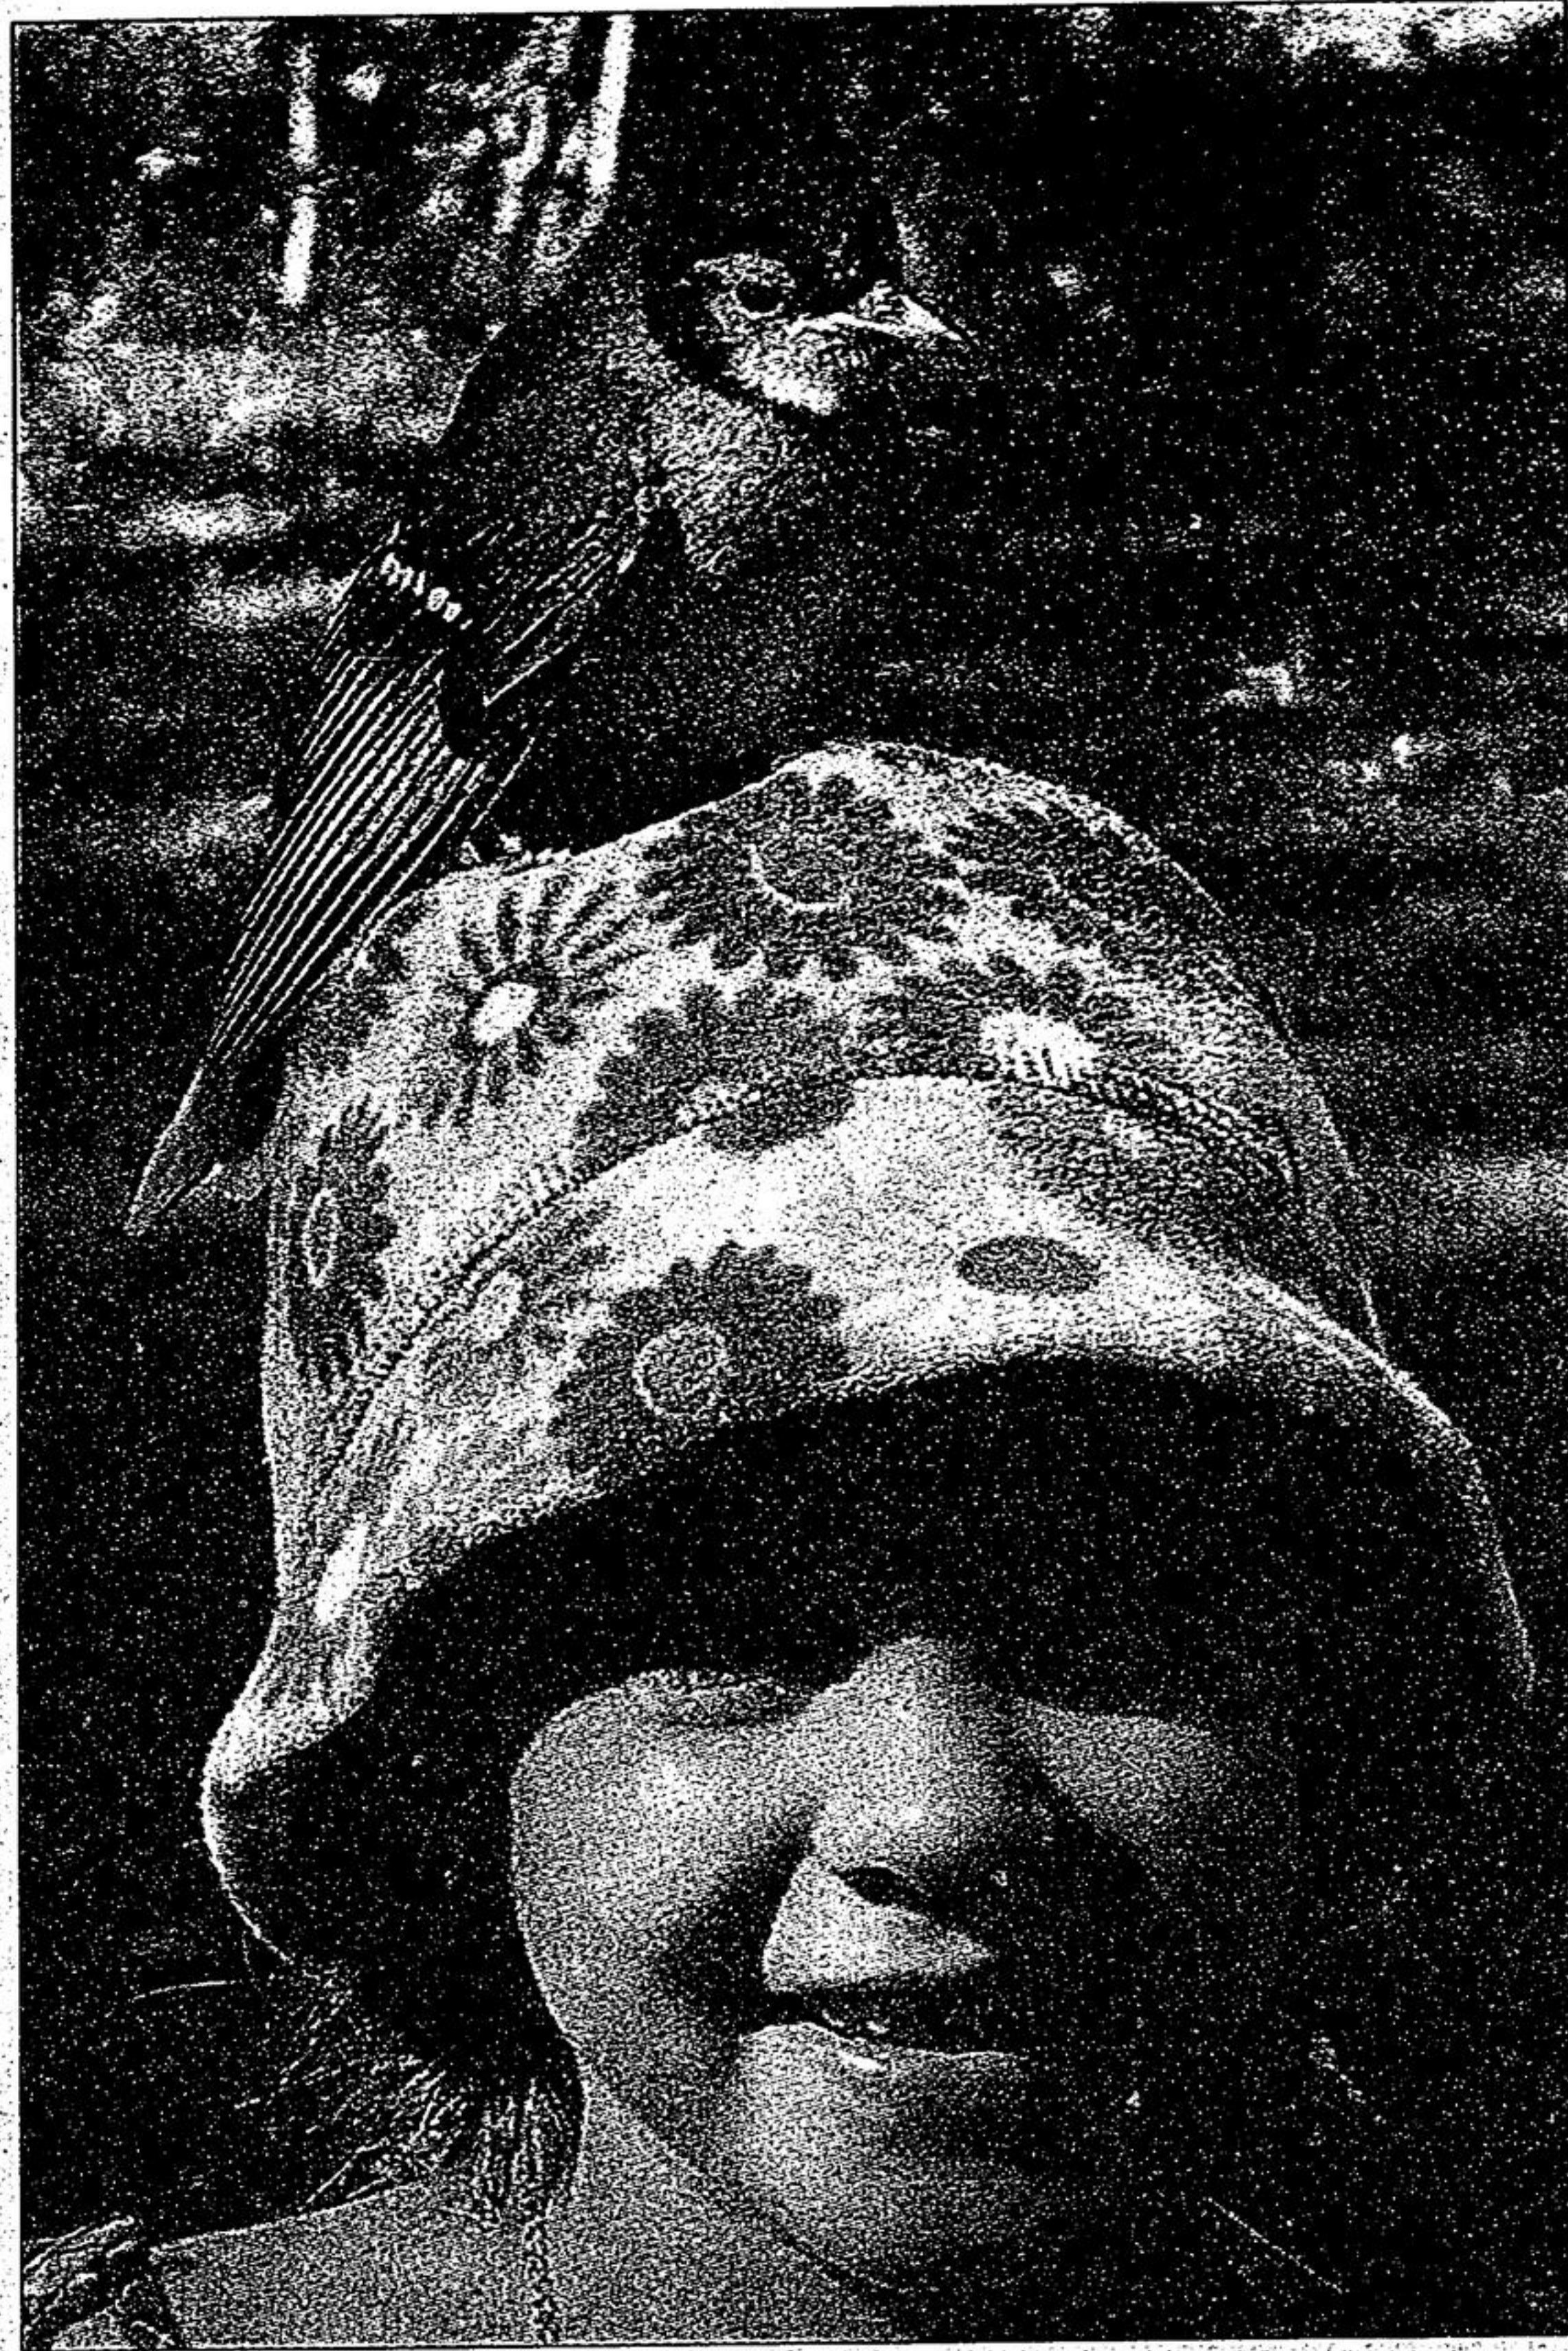

The exhibit features many artifacts not dis-

played before, highlighting the longest, shortest, softest, and wierdest, items of the museum's collection.

The museum is at 14732 Woodbine Ave.,

between Bloomington and Aurora roads, in the community of Vandorf.

Call 905-727-8954 or 1-888-290-0337 for hours and other information.

Blue jay's fan

Tara Boyd, 7, has a close encounter with a blue jay in Stouffville Memorial Park Saturday. Tara's family, which moved from Stouffville to England five years ago, is visiting its old home town and was hosting a picnic in the park.
