Groups register together

To make it easier for local residents to register for fall programs and find out about organizations and services in their community, the Department of Leisure Services is hosting a Registration and Information Fair in Latham Hall.

On Aug. 27 from 9 a.m. to noon, residents will be able to register for skating, enroll in the York Durham Academy for the Performing Arts, join dance classes and library programs, Scouts and Guides programs and find out about the Latham Gallery, the Whitchurch-Stouffville Museum and local service clubs.

"One-stop shopping" is

how Micole Ongman of the Leisure Services Department describes the event she hopes to see repeated annually.

Representatives from local businesses, non-profit groups and the town will be on hand to give information and take registrations.

The idea was suggested by Wayne Hill, founder of the York Durham Academy for the Performing Arts, after seeing a similar information fair in Markham.

More municipalities are holding fairs such as these because so many new residents are moving to York Region, Ms Ongman noted.
