Grade 2-12/University Prep (905) 470-1200

Town Centre Montessori Private Schools

Founded in 1986
A Montessori School and More ...™

Town Centre Montessori Private Schools (TCMPS) has three campuses in the Town of Markham and offers an enriched academic curriculum for students from age 2 to Grade 12.

New for 2005-2006, TCMPS is introducing several innovative programs. The **Advanced Placement (AP) Program** offers motivated high school students the unique opportunity to take challenging university-level courses while still in high school. As part of the AP program, students in Grade 7 through 11 will receive a new and enriched TCMPS curriculum. Through our new **Reach Ahead Program**, Grade 8 students are able to earn a TCMPS high school credit course, based on the current Ministry of Education curriculum expectations. In the music department, the Grade 4 and 5 students will be introduced to **Instrumental Band Classes**.

At the Montessori Pre-School level, students work in a prepared environment and learn the foundations of language, mathematics and social sciences. Daily French classes, music, art and physical education are incorporated and provide a comprehensive program. Older Pre-School students are introduced to computer studies in weekly lessons. Students can attend either full day or half day and enrollment applications are accepted throughout the year.

Students are taught by caring, experienced and qualified staff, in classes with low student-teacher ratios. All classes, Pre-School to Grade 12, enjoy regular and interesting trips and visitors throughout the school year and summer programs. These provide an excellent enhancement to the classroom learning experience. TCMPS also offers a wide variety of extra-curricular activities to ensure that there is something for everyone including sports, creative arts, dance, music, organizations/clubs and academic programs.

TCMPS campuses feature state-of-the-art facilities including large spacious classrooms, gymnasiums, computer and science labs, art, music and ballet studios, a library, and full-size, outdoor playing fields. The school's programs are offered year-round, and feature **no cost extended care programs, from 7:00 am - 6:30 pm**. For further information, please call 905-474-3434 (Pre-School - Grade 1), 905-470-1200 (Grade 2 - Grade 12) or visit our website at WWW.TCMPS.COM.
