**NOTICE TO READERS**

Before responding to any advertisement requesting that money be sent, you may wish to investigate the company and offering. The publisher can not assume responsibility for the validity of the offering advertised within the classified pages.

**SUPPORTING OUR COMMUNITIES THROUGH SERVICE EXCELLENCE**

The community spirit found in York Region's nine urban and rural communities makes it a truly great place to live and work. At the heart of our success as the fastest-growing part of the Greater Toronto Area are our challenging, diverse career opportunities, ideal location and excellent quality of life.

**Project Co-ordinator**

**CAPITAL REHABILITATION PROJECTS**

In this one-year contract position, you will provide technical expertise in the planning, implementation and contract management of capital improvement and renovation projects. Your diploma in Architectural or Engineering Sciences is combined with 3 years of building construction and maintenance experience for a variety of buildings, including developing designs, plans and specifications, and administering contracts. You are able to effectively supervise consultants and contractors, conduct inspections, evaluate work in progress, and identify and resolve deficiencies. Proficiency in MS Project and construction control software, such as AutoCAD 14/2000 and Capital Planning Priority systems, is required.

This is a unionized position with CUPE Local 905 (York Region Unit). Please forward your resume, quoting Job Posting 5251LN, by September 23, 2005, to the address indicated. We thank all applicants for their interest, however, only those selected for an interview will be contacted.
