

Flying high for United Way

Delaney Mrkbrada (left) and Sean Everson laugh as they "fly" a helicopter during Toronto Buttonville Municipal Airport's 10th annual open house Saturday. Below, people line up for a look inside a plane at the airport at 16th Avenue and Hwy. 404 in Markham. The open house attracted about 3,200 people and promoted the United Way campaign. This year's York Region goal is \$7.25 million.
