**Blainey's Scrip Inc.**

**EARN FUNDRAISING DOLLARS. NO MORE SELLING.**

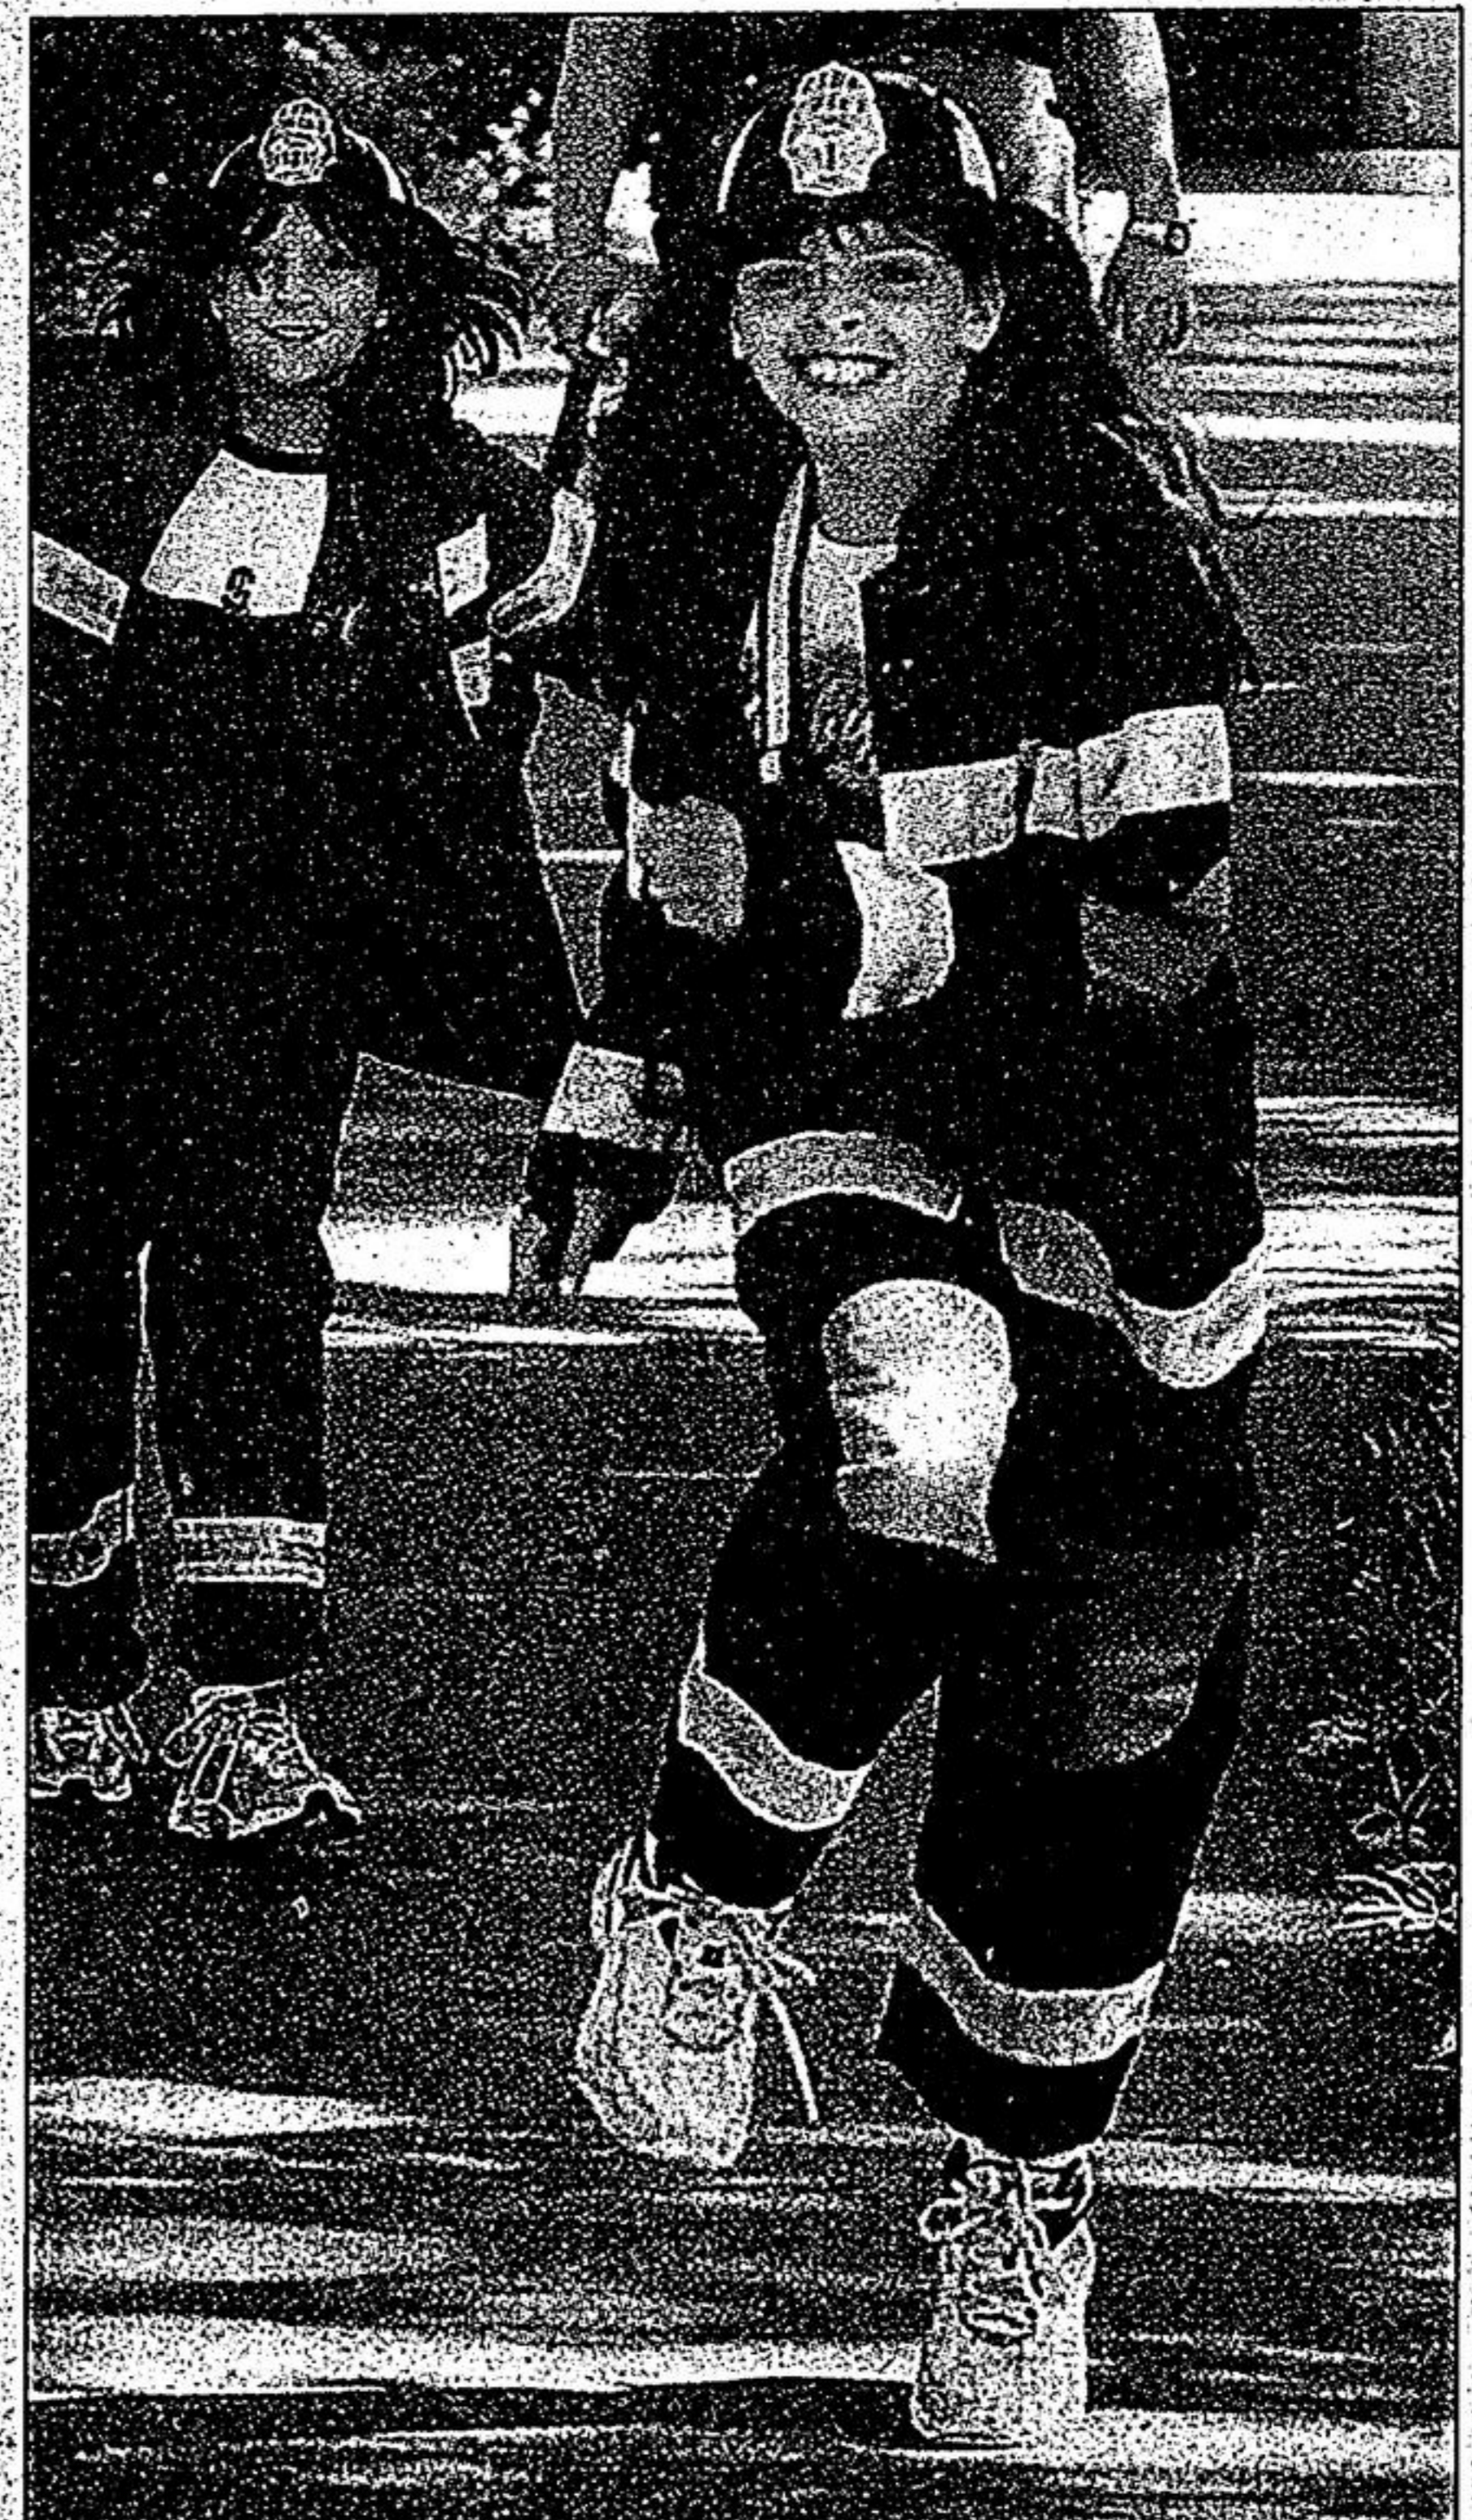

**HOW DOES THE BLAINEY'S SCRIP PROGRAM WORK FOR EVERYONE?**

1. Families buy their every-day purchases at not one cent more: Gas, Groceries, household items, etc. at the stores of their choice!
2. Organizations earn continuous income on every purchase their supporters make — purchases that they would make anyway!
3. Retailers receive guaranteed business plus gain new business.
4. Private Institutions are able to assist parents with their child's tuition with our T.R.I.P. program by returning a percentage of the funds raised to the participating family in the form of a "Tuition Rebate" — Everyone wins!
