**ASE CERTIFIED** QUALITY IS NOT EXPENSIVE...  
**IT'S PRICELESS!**

More and more area motorists and fleet managers are realizing the benefits of regular vehicle maintenance, in terms of improved reliability, increased fuel economy, and effects on the environment. A well maintained vehicle is safer, lasts longer and shows a better return at private resale time.

For the past 30 years, Sandy's Auto Service Ltd. has been committed to providing the best in vehicle maintenance and repairs for any make, model or year of vehicle. They know that if they replace only what is needed and make every effort to do the job right the first time, they will retain loyal customers who will be happy to refer family and friends.

Sandy Devitt is an ASE certified technician, who along with staff put their experience to work for you so you can get back on the road quickly. They keep up-to-date with the on-going changes in technology to remain current with the needs of your vehicle.

Whether it's a simple lube-oil-filter service or troubleshooting those intermittent problems that are difficult to pinpoint, Sandy's Auto Service Ltd. can cover your needs. They can perform tune-ups and diagnostics, fuel injection work, expert service for 4 wheel disc and ABS brakes, shocks and struts, exhausts, and air conditioning systems, plus MTO safety inspections, and Ontario DRIVE CLEAN Test & Repair services. They also service and repair engines, transmissions, clutches and differentials. Sandy's installs parts that meet or exceed the specifications of the manufacturer to ensure new vehicle warranty requirements are met.

Let the experts at Sandy's Auto Service Ltd. show you what has kept customers coming back since 1975.

Sandy's Auto Service Ltd. is located at 176 Bullock Drive, Unit 8, in Markham. They can be reached at 905-294-3868
