changes for women
 Celebrating Our 1st Anniversary!

 "Wow! We may be new, but boy we've had a great first year. With our circuit, one on one coaches, motivating classes & inch loss challenges, more & more of our members are reaching their goals everyday."
 Our members are noticing significant changes in their health.
 "I feel good about myself inside & out! My cholesterol has dropped, my migraines & knee pains have disappeared," says Julie, a member since April. Lisa, who joined in March states, "I've lost inches at previous clubs, but ended up lost in the crowd. At changes the encouraging staff have kept me motivated & challenged in fun ways."
 Other members achieved success by combining the circuit & the Ideal Protein Weight-Loss Method. This medically designed program provides one-on-one consultation to produce a consistent, safe & healthy weight-loss. Laura should know. She's lost 77lbs, 79in, 4 pant sizes & wore shorts for the first time in 20 years!
 Changes For Women is perfect for the busy women. Membership is cost & time effective. Open 7 days a week with great hours & plenty of parking, just about anyone can find the time to fit a workout into their day! Come in & save during our anniversary celebration.
