The Early Years

Effective immediately, residents of Markham and the surrounding area can experience the true essence of European market-style grocery shopping only minutes from home.

On Oct. 13, Michael-Angelo's Market Place opened the doors to their second location on the north east corner of Hwy. 7 and Woodbine Avenue.

"We are delighted to be able to bring to Markham all of the fine products our Mississauga store has offered since we opened it in 1985,"

Sandra Berardi said.

"That location has been honoured for five consecutive years with the Consumer's Choice Award in the category of best fruit and vegetable store, and numerous times with the Mississauga News Reader's Choice Award for best independent grocery store. We consider ourselves very fortunate that the public has received our concept so warmly."

The brand new 30,000-square-foot state-of-the-art supermarket is a cornucopia of goodness; from the finest in produce, meats, baked goods and deli delights to the friendly faces on the staff that is the cream of the crop.

So much more than a family-run business, Michael-Angelo's is a tradition

that's been passed from father, Angelo Pugliese, to his three children, Sandra, RoseAnn and Michael. They manage the market place with pride, serving up only the best in quality, customer service and selection to delight of their loyal customers.

Michael-Angelo's also boasts a sushi bar, a full-scale floral department, a café where visitors can sit and enjoy a coffee and muffin or a fresh, wholesome meal.

Michael-Angelo's motto: "Only the very best"

"These are not just words to us," Sandra said. "Our family firmly believes in only the very best in both quality and service. We care for our customers like they were members of our family."

Whether you're looking for a hearty lunch, a cart full of nutrition for the week ahead, or some scrumptiously prepared take-out for a family on the fly, Michael-Angelo's Market Place is the featured item on every day's menu.
