and Susie Kockerscheidt

Emma Butcher (left) of Sharon Public School and Cassidy Pipher of Ballantrae Public School, both 11, identify insects in the Creatures from the Blue Lagoon session at the eco camp held by the York Region District School Board at Shadow Lake in north Whitchurch-Stouffville. The fourth annual camp was held with the help of Earth Rangers, a York Region-based group helping connect young people and the environment.

Josh Crowder, 10, from Black River Public School in Sutton and Tayler Poulet, 12, from Windam Ridge Public School in Oak Ridges planted perennials. Below, students troop to their next work site.

Ryan Grosskurth, 10, of Black River Public School fishes for insects.
