

## Frank adapting to junior A game

*Spirit rookie scores a goal and earns an assist in 4-2 win*

Shawn Frank says the speed of junior A hockey takes some adjustment.

Don't try telling that to the Huntsville Muskoka Otters defencemen still trying to catch the diminutive rookie.

Frank, 16, scored a highlight reel goal and assisted on another in the first period to lead the Stouffville Spirit to a 4-2 win over Huntsville Thursday at the Stouffville Arena.

The Spirit (6-2-2-3) moved into third place in the North Conference of the Provincial Jr. A Hockey League.

The goal saw Frank, a Barrie Colts Ontario Hockey League draft pick, spin away from a badly fooled Otter before blasting a shot into the top of the net.

"That was a confidence booster, I'd say," said the Thornhill resident, who played for the Toronto Red Wings minor midgets last season. "In this league, everything has to be done immediately. With the speed and the strength of the players, there's no time."

Steve Kalponas, Joel Sheppard

and Randy Johnston had the other Spirit goals.

The Spirit hosts the Markham Waxers tonight at 7:30 p.m. Markham (11-2-2-0) is in first place in the South Conference.

**SPIRITED NOTES:** The Spirit acquired forward Tom Coukos, 17, from the Milton Merchants this week. The Aurora resident played for the Toronto Marlie midgets last season... Whitchurch-Stouffville Minor Hockey players wearing their Stouffville team jerseys get in free to tonight's game.

## Judy's Italian Pizzeria

There's something special about the pizza at Judy's Italian Pizzeria in Markham.

Customers who try this great pizza often comment that it's the best pizza they've ever had! For over 25 years Frank and Maria Rossi have been perfecting their masterpiece-the perfect pizza made from the best ingredients!

Judy's Pizzeria offers the kind of quality only available from a small, family owned and run business. In fact, Judy's Pizzeria offers the mouth-watering delights of Italy right here in Markham with their delicious pizzas, pastas and hot sandwiches.

If it's Italian, you'll find it at Judy's Pizzeria; lasagna, cannelloni, fettucine, gnocchi, ravioli, and classic spaghetti. In addition, Judy's offers a wide assortment of menu items including veal on a bun, panzerottis, chicken sandwiches and salads, all served hot and available for both delivery or pick-up.

What's the secret to the delicious pizza?

Frank and Maria create pizza the old fashioned way...from scratch! All dough is made on site, and stretched by hand. In addition, Frank and Maria personally make all the spices themselves.

"When people try our pizza for the first time, they are always surprised by the delicious taste and incredible quality of our product," explained Frank. "After that, they always come back!"

Another secret to this one-of-a-kind of pizza is that only the absolute freshest ingredients are used. In fact, every week Frank journeys to the Toronto Food Terminal to personally hand pick the highest quality vegetables. His keen eye has been developed over the countless years of perfecting his recipe within the walls of a traditional Italian kitchen, and his expertise is unrivaled.

"Ingredients must be the best quality available to be used in our products," said Frank. "It's not just the pizzas, but all our home-made pastas."

Competitors have been trying for years to duplicate the taste of the pizza at Judy's Italian Pizzeria...without success. There's another unique quality of the pizza, and that's the size. A small pizza is a filling 12 inches, while a medium is 14 inches, and a large is 16 inches. A party-size is available at 18 inches, and finally, the jumbo size is 15 by 21 inches! That's a lot of pizza...

All pizza is also available in thick or thin crust. "We spread our toppings completely over the pizza so customers receive the most for their money," explained Frank. "Our competitors often leave bare crust around the perimeter."

Looking for great food to cater that special event? Frank and Maria will personally cater for up to 100 people, or deliver trays of food to central and northern Markham and Unionville.

Call Judy's Italian Pizzeria at 905-294-8500, or drop in at 1 Stone Mason Dr., Unit 5, Markham (off 16th Ave.). Closed Sundays.
