# Now oil change comes to you

*New company  
 provides service in  
 customers' driveway*

BY HANNELORE VOLPE  
 Staff Writer

Instead of customers having to travel to their local garage for an oil change, TimeSavers Mobile Oil Change Service comes to you.

Stouffville resident Gary Gingras recently opened a TimeSavers business in Whitchurch-Stouffville.

While this type of service is well established in the United States, it's a new concept in Canada.

The mobile service comes to businesses and homes for oil changes and several other services.

No oil is ever spilled, Mr. Gingras noted, since it is siphoned up rather than being drained.

### WASTE OIL RECYCLED

All waste oil and filters are recycled according to Ministry of the Environment guidelines.

TimeSavers can service fleets or individual vehicles. The business keeps records to ensure oil changes are done on time to keep warranties in effect and to keep vehicles running smoothly.

Other services offered

include replacing wiper blades, changing air and cabin filters and rotating tires.

The advantage of having the service come to customers, is minimizing vehicle and employee down time, Mr. Gingras said.

The service takes about 20 minutes and hours are flexible. If a company's vehicles normally leave at 8 a.m. TimeSavers can arrive at the workplace at 6 a.m.

The service is available in the Greater Toronto Area and surrounding municipalities.
