Senior Network Analyst

Working with a team of technology experts within our Information Technology Services Department at the Education Centre - Aurora, you will use your experience supporting converging voice and data systems, as well as your operational background with Nortel Succession 1000/M, CallPilot, BCM voice platforms and NEC key systems. A solid understanding of VOIP technology and operational issues is essential.

Programmer-Analyst

An exceptional communicator with at least 2 years of experience developing in web-related and client-server environments, you will join our Information Technology Services Department at the Education Centre - Aurora in this term position, ending approximately August 31, 2006, with the possibility of a 2-year extension, depending on funding. Working with both in-house and purchased third-party software, you will work in a team setting, analysing processes, assisting with application designs and specifications, and developing, testing and implementing solutions. Your degree or diploma in Computer Science is complemented by proficiency in RDBMS (preferably MS SQL Server), Microsoft technologies, SQL reports, SQL, and data modelling, translation and extract. Experience with student administrative systems, especially Trillium, would be an asset.

**Programmer-Analyst,
Data Warehousing**

Consider joining our team in this term position, ending approximately August 31, 2006, with the possibility of a 2-year extension, depending on funding. Along with a 3-year diploma in Computer Science or Business Administration, you must have 2 years of related experience. Proficiency in relational database concepts and system development methodology is essential, as are experience in database development using MS SQL Server, and programming skills in VB. Programming abilities and experience in DTS, NET, Cognos or other ETL tools are assets.

Details on the application process are available on our website.

We strive for equity, inclusiveness, and diversity in all our programs, practices, facilities and people.

TOWN OF GEORGINA
IN THE
REGIONAL MUNICIPALITY OF YORK

BUILDING INSPECTOR

The Town of Georgina, Department of Planning and Building, is seeking a qualified individual to fill the position of Building Inspector.

Reporting to the Chief Building Official, the Building Inspector is responsible for site inspections on structures, buildings and/or sewage systems for compliance with reviewed plans and specifications, the Ontario Building Code, municipal bylaws and other applicable legislation as well as the preparation of records/documentation for Code violations; issuance of orders pursuant to the Building Code Act; provide evidence at court hearings; and, respond to inquiries from the general public.

To qualify for this position you will have a post secondary diploma in architectural, structural or construction technology or related discipline; achieved Qualification pursuant to O. Reg 305/03, or demonstrated accomplishments toward achieving qualification; three years related experience, preferably in a municipal environment; excellent communication, investigative, and research skills and a valid Class G Driver's Licence.

The Town offers a comprehensive benefit package, a professional and supportive work environment, and a weekly wage rate of \$970.22 - \$1,078.22.

Qualified applicants are invited to submit a detailed resume with cover letter, quoting file #J-2005-42, before November 11, 2005, Human Resources Office, Town of Georgina, 26557 Civic Centre Road, Keswick, ON L4P 3G1, or Fax (905) 476-1957 or E-mail: hr@georgina.ca

The Town of Georgina thanks all applicants for their interest and advises that only those to be interviewed will be contacted. Personal information is collected under the authority of the Municipal Act and will be used to determine eligibility for potential employment.

Pet Valu is a Canadian success story. Established in 1976, we've grown to over 350 franchised and corporate stores throughout Canada and the U.S. We seek top talent to bring our customers the highest quality in pet food and pet care supplies.

HELP DESK SUPPORT ANALYST
PART-TIME

This Markham-based role, working evenings and weekends, is ideal for post-secondary students. Draw on your excellent customer-service and communication skills to provide assistance to users via telephone, and troubleshoot point-of-sale (POS) software and hardware. You will participate in maintaining POS test scripts/sets as well as testing new releases of in-house-developed software. Your duties will also include maintaining problem reports, assisting in developing POS procedure documentation, and updating database information. You are able to learn new software programs, and, ideally, have experience in a Windows NT/2000 environment using MS Office. Retail experience, preferably with a POS system, is a definite asset. Full training will be provided.

Qualified, interested individuals are invited to send their resumes to: **Pet Valu Canada Inc., 121 McPherson Street, Markham, Ontario, L3R 3L3. Fax: 905-305-6166. E-mail: lholland@petvalu.com**
