

WE ASKED: Will the Gomery report affect your vote in the next election?

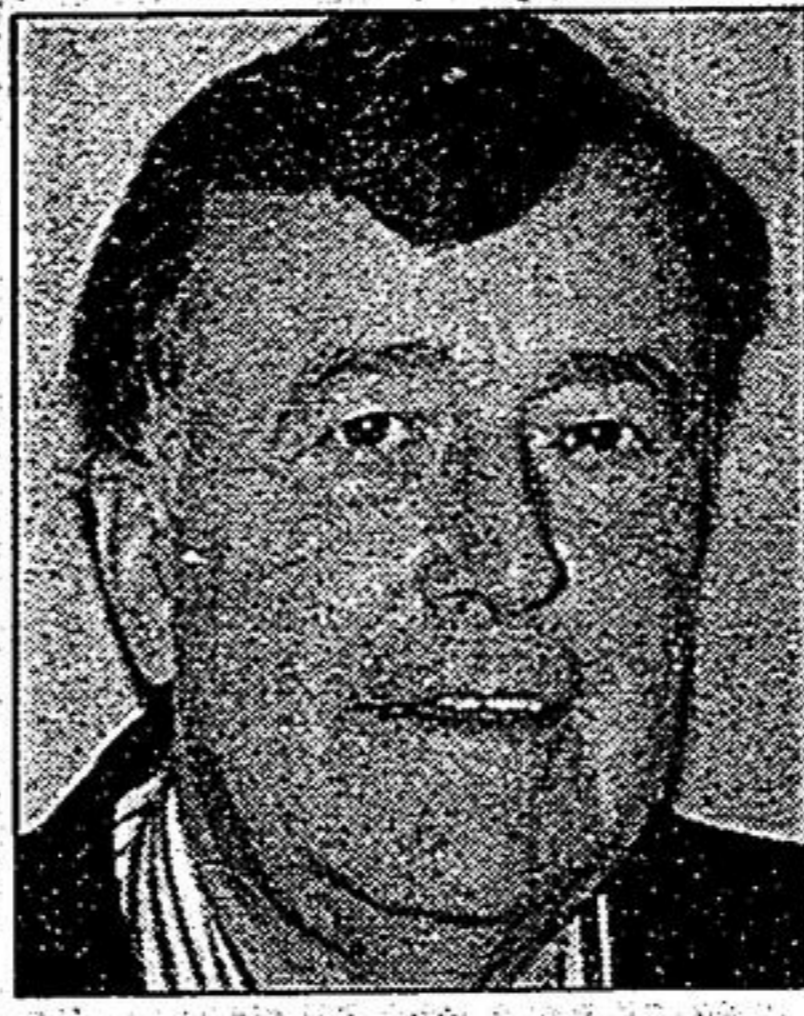

HEATHER MCLEAN

YES: "It will likely impact how I vote in future, but I would have to look at the results of the report in more detail before deciding."

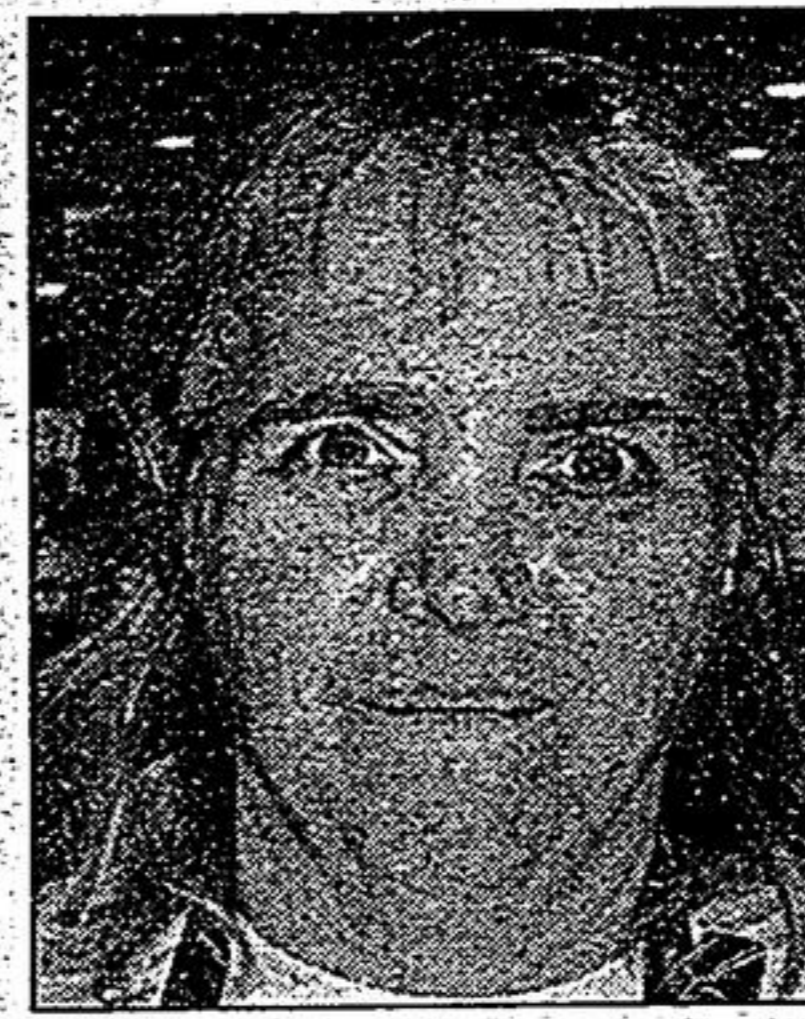

CLIFF DUNKELD

NO: "I still don't feel we are getting the true results. I won't change my vote until someone is actually proven guilty."

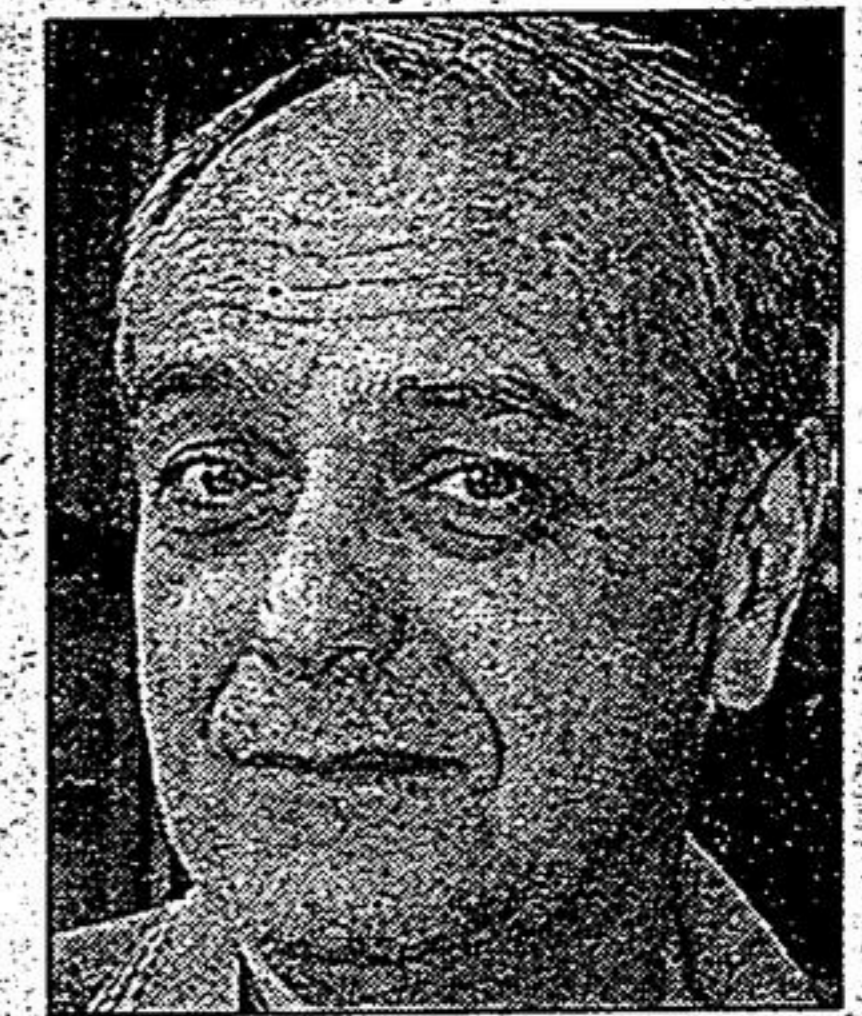

DAVE PROBERT

NO: "Absolutely not. I think that Mr. Paul Martin has stood by his words ... I think we have to stay by him and believe him."

SHARON MOORE

NO: "Probably not because he did what he should have done ... He's done his job. Now he just has to get himself out of it."

LOTHAR SCHINDLER

NO: "We realized long ago how corrupt the whole thing is. We realized the Chretien government is particularly unscrupulous... I don't think it (the report) will make much difference to most voters."
