

Stouffville Says

By Hannelore Volpe

If you could set the town's budget, where would you direct money first?

Cleaning up Main Street would be a priority to make it more attractive for residents and visitors. Some stores are not being kept up.

Brenda GENTLES

We need a bigger skatepark to give the kids something to do. Some of the Stouffville boys are riding their bikes to the new and larger skatepark in Markham.

Derra DUNSMOOR

It would be nice to see more walking trails and bike paths connecting the park system in Stouffville, especially linking the future Bethesda Park, so that people wouldn't have to drive.

Gloria JOHNSTONE

I would like to see the light nightmare cleaned up on Main Street. There are just too many traffic lights around Ninth Line.
