

HOLTZ the SPA at Hilton Suites

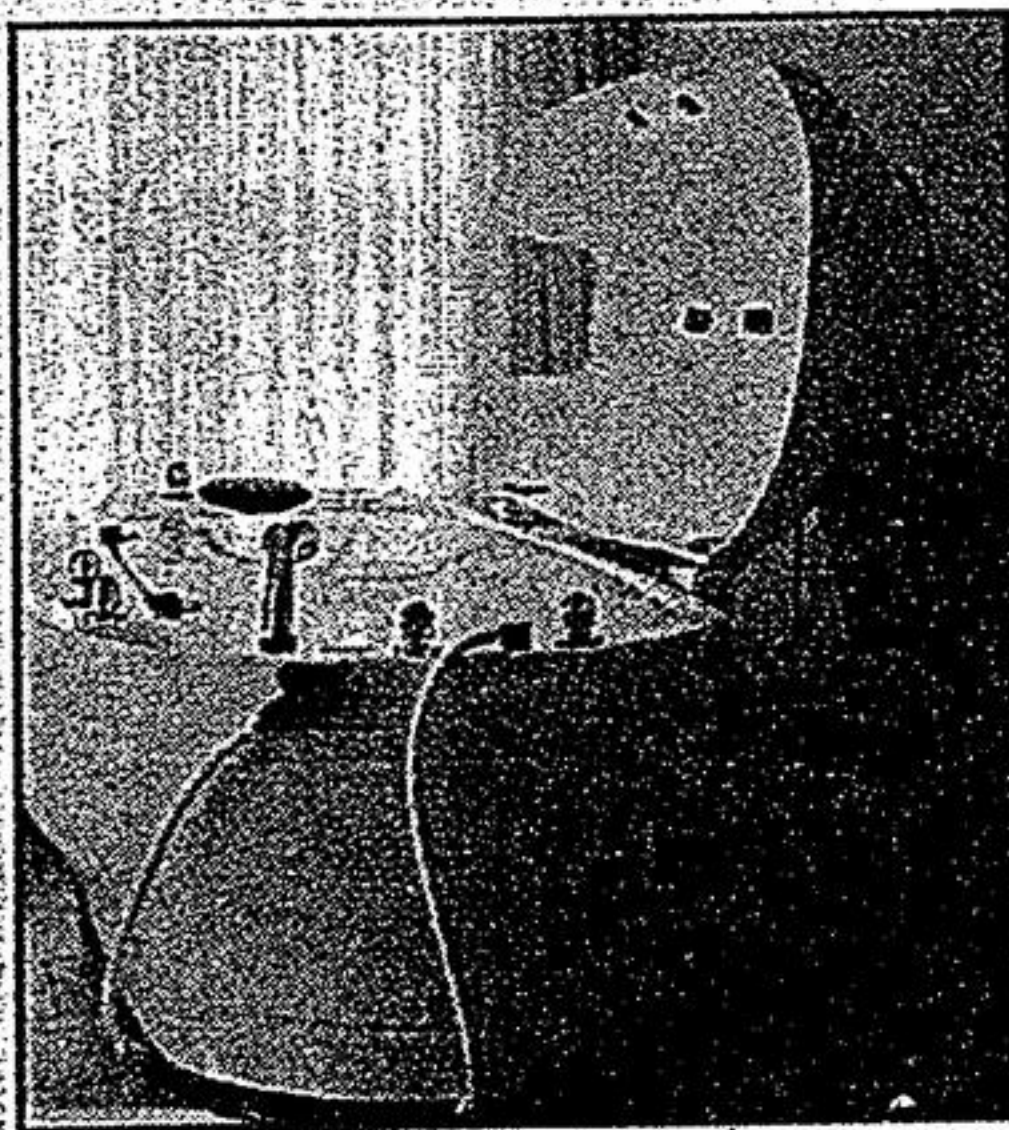

Experience Excellence!

Founded on the principles of health and wellness, this Feng-Shui inspired spa offers calming and fragrant treatment rooms with an extensive menu of ancient and modern spa therapies paired with the most sophisticated high tech equipment available in the world.

Holtz also offers high tech treatments using the Soft Pack System, a luxurious process in which clients are enveloped in a pressure-free cushion of water that simulates weightlessness during various body treatments.

uncompromising approach to service and quality that is celebrated at the Hilton Suites Toronto/Markham, home of this extraordinary spa.

Holtz the Spa at Hilton Suites is the first spa in Canada to offer Aromatherapy Capsule, an innovative Hydrotherapy unit that combines water-based therapy, light therapy and massage.

Using all-natural botanical products in treatments, our team of professionals is committed to nurturing the physical, mental and spiritual well being of our guests. The highly qualified and skilled therapists at Holtz provide an
