Good before, great now...
Metro Florist Inc.

After 20 years running a successful floral and bridal consulting business in West Toronto, Markham residents Grace and Carmen Romagnuolo merged the two businesses and moved closer to home. Many have noticed the facelift they've given to Metro Florist. It's a fresh new look with the fragrance of fresh cut flowers.

Grace, Carmen and their staff are an award winning team renowned for quality, creativity, variety and adaptable service. We have something for everyone's budget, taste and style.

Grace says, "Offering rentals and décor for weddings, exotic and traditional flowers bought directly from growers, assorted green planters, gift or fruit baskets of all sizes Metro florist now has it all at very reasonable prices. Don't miss their weekly rose special in all colours, and their vast selection of Pointsettia plants are sure to last through the holidays."

What really sets this shop apart is their attention to detail. Every bouquet is presented with tulle and gold bouillon then finished with trademark butterflies. That's why their loyal customers keep coming back.

Grace is currently booking weddings for 2006. Book your personal consultation now at 905-201-8804 or metroflorist@rogers.com. Located at 5990 16th Ave. in Markham, Metro Florist is open seven days a week: Mon-Wed 9-6:30pm, Thurs-Fri 9-7pm, Sat. 9-6 and Sun. 11-5pm. They also deliver to Port Perry, Oakville, Metro Toronto and Keswick.

Corporate clients are also welcome.

From corporate to bridal and fresh cut flowers, stay in the green with Metro Florist!
