

# Stouffville CA student on national honour roll

**SOPHIA TOMORY:** Finished in top 54 in national accounting examinations, to make honour roll.

Three York Region chartered accounting students have achieved high marks on one of the world's most challenging professional entry examinations.

Tiki Cheung, Brandy Purdy and Sophia Tomory earned places on the prestigious national honour roll — the listing of the top 54 students in the country — in the uniform evaluation, a national accounting examination.

The exam, written in September, is a national three-day evaluation that assesses competencies

including essential knowledge, professional judgment, ethics and the ability to communicate. It's part of the internationally recognized CA qualification program.

Ms Tomory, a Stouffville resident, is articling with Morley, Sanderson & Millard LLP in Aurora. Sophia has a master of business administration degree.

"The past few years have been both demanding and gratifying. Now that the (exam) is behind me, I look forward to a challenging and exciting account-

ing career," said the graduate of the Schulich School of Business at York University.

Ms Cheung, a resident of Markham, is articling with Ernst & Young LLP in Thornhill. She has a master of accounting degree from the University of Waterloo.

"What ultimately made me choose the CA profession over science were the great accounting professors I had the fortune to learn from, and a very inspirational speech by Auditor General Sheila Fraser at my

school," she said.

Ms Purdy, a resident of Newmarket, has a bachelor of accounting degree from Brock University. "While I was studying for the (exam), I was also planning my wedding and both worked out very well," she said. "This was one of the most hectic but satisfying periods of my life."

In total, 112 York Region CA students successfully wrote the exam. After completing a 30-month experience requirement, they can add the letters CA to their names.
