Spirit winless in four after 5-2 loss

So much for a happy new year.

The Stouffville Spirit is winless in four games to start 2006, the latest a 5-2 loss to the Pickering Panthers Thursday at the Stouffville Arena.

The Spirit (20-8-7-3) is in third place in the North Conference of the Provincial Jr. A Hockey League, four points behind Newmarket.

James McIntosh and Ryan Oliver scored for the Spirit, which is still without leading scorers Randy Johnston and Joel Shepard due to injury.

Shots on goal were 34 apiece. The only thing the Spirit won was Donovan Munro's split decision over Cory Battista in a late and spirited fight.

The Spirit continues its dates with South Conference teams,

playing at North York Sunday afternoon and Vaughan Monday night.

SPIRITED NOTES: Spirit grad Mark Versteeg Lytwyn was traded by the Sarnia Sting to the Sudbury Wolves Tuesday. The Wolves are the Sharon native's third Ontario Hockey League team.

UPPPC UNITED PEOPLES PARTY OF CANADA

CHANGING THE STATUS QUO IN POLITICS!!

The real serious issues facing Canada are not health care, education and taxes but self-respect, dignity and equality among individuals.

PARTAP DUA

Leader and Independent Candidate for Markham Unionville
(905) 294-3295

FAROOQ KHAN

Scarborough Guildwood Independent Candidate
(416) 277-9255

Our party is fighting for: Massive Immigration overhaul, Ending second-class citizenship, Ending stereotyping of communities & government's collusion with human right violators, Eradicating racism, Restoring equality, and Extracting written apology & adequate compensation for Chinese head tax survivors. We want Ottawa to spend our money on health care, education, seniors, disabled, single mothers, homeless, children's future and cultural awareness rather than wasting it in 'selective' pleasing of provinces & favoritism.

Some other highlights of our platform are:

- Restore consumer respect by launching pro-consumer laws and tightening arrogant banks & corporations.
- Eliminate GST over 3 years & Eliminate tax for seniors with incomes below \$20,000.
- Eliminate tax on students' employment income & study loans irrespective of parental income.
- Encourage & fund family care of seniors & free drug plans/dental for 'low income' families.
- Recognize immigrant qualifications & fast tracking immigrants into work force.
- Repeal anti-democratic laws e.g. Bill C-36, C-11, etc.
- Scrap \$975 head tax and revamp the 'dumb' immigration department.
- Mandate decisions on landing and refugee applications within 60 days.
- Scrap citizenship process and grant automatic citizenship after 3 years.
- Voting rights for landed immigrants & landing to refugees with travel documents on acceptance.
- Improve conditions of live-in caregivers (nannies).
- Universal day care & 24/7 family operated day care centers to help shift workers.
- Mandate & fund after school physical activity for children.

- Establish within reach free ESL/French classes and job training centers.
 - Reduce emergency times in hospitals by hiring foreign trained immigrant doctors/nurses.
 - Fund Urban Transit.
 - Establish four high-powered commissions: Judicial & Police Oversight Commission, Anti-Racism Watchdog Commission, National Consumer Commission & Federal Watchdog Commission to restore dignity of individuals & consumers.
 - Make Canada's economy sustainable in face of cheap imports from China & India.
- (For detailed platform go to www.upcc.ca after 06 January)

WHY SHOULD YOU VOTE FOR US?

1. Ours is the first party to speak up boldly on real issues and challenge the status quo.
2. You will make Liberals realize that they cannot take your vote for granted.
3. Most important, one or two minority party reps might actually become a decisive force in case of a hung parliament.
4. We will get things done in case any party needs our support to form the government.
5. Above all we are serious and are spending our own hard earned money on elections to awaken you all.

WE NEED YOUR HELP TO CHANGE THE STATUS QUO!
