

## Stouffville Says

By Hannelore Volpe

How excited are you about the Winter Olympics in Turin?

—asked at the Whitchurch-Stouffville Public Library

Yvette LEONITUK

"We watch because the children are getting old enough to realize what it is about. They know the Canadian flag and they know they are from Canada."

Fred ROBBINS

"I am glad to see Canada has a good showing. There is a lot of support for the athletes from Canadians and the media."

Joan ZELDMAN

"We don't follow them closely, but we are interested to see how the Canadians are doing in the medal standings. After all, we are Canadian."

Susan ATKINSON

"I am really interested in the figure skating. I would love to see the Canadians win, but I think the Russians and Americans will take the medals."
