## The Queen's Pantry

This year marks the 25th anniversary of The Queen's Pantry on Main Street in Unionville. Karen and Linda Chadwick first opened their store in the historic Queen's Hotel in 1981. It started as 800 square feet but quickly expanded offering a wide selection of home furnishings and décor items including bedding, drapery, lamps, carpets and housewares.

In 1998, the two sisters bought the building on the site of the old Almira Mill on 19th Avenue in Markham and renamed it The Queensbridge Mill. The Mill is a 7,000 square showroom on 2 floors with furnishings and accents coordinated in the creative palettes of The Paint Café—their signature paint line. In fact, there are over 50 colours painted on the walls to inspire you. You are invited to "Discover Your Colour Personality" by playing the Colour Game Quiz which helps you to determine your colour preferences and harmony family. Each Harmony family has its own brochure explaining colour theory and detailing colour palettes. These are an invaluable tool when starting any design project. The Queen's Pantry also offers an in-home consultation service to help you create the home of your dreams.

The Mill location hosts a variety of courses on design, entertaining, cooking and lifestyle. Upcoming seminars include:
