Manager, Diagnostic Imaging

You are a dynamic, innovative team builder with a track record of operating on the leading edge of clinical and management excellence. You have exceptional people skills, and you know how to bring out the best in all your staff. A recognized coach, mentor and facilitator, you foster collaboration and will ensure that Diagnostic Imaging services are integrated and aligned with patient needs as well as the needs of health-care providers. You believe in putting patients first and, as a result, make customer-focused services a priority within the department. We will look to you to challenge expectations and set high standards of performance and achievement. You will bring both strategic and operational insight to service planning and implementation, and contribute to goal accomplishment consistent with the vision of the hospital. Build on our - and your own - success by developing a framework that will support, advance and continuously improve professional practice. Appropriate professional credentials are assumed.

We welcome people who want to be part of our vision for health care. For more details on this and other career opportunities, visit us online.

To join our dedicated team, send your resume to: Southlake Regional Health Centre, Human Resources Department, 596 Davis Dr., Newmarket, ON L3Y 2P9. Fax: 905-853-2218. E-mail (Word format): careers@southlakeregional.org

Manager SPD, Linen, JIT and Porters

A self-directed health-care professional, you will work in a dynamic, fast-paced environment dedicated to the delivery of high-quality service and support hospital-wide. Your well-developed leadership, communication and critical thinking skills, coupled with your quality initiative and outcome approach, will enable you to successfully co-ordinate services within the areas of SPD, Linen, JIT and Porters, ensuring high service standards and safe, efficient day-to-day operations. You are an effective team builder with 5-plus years of recent, relevant clinical experience. Your credentials include a baccalaureate degree in a regulated health profession discipline, a diploma in SPD and/or Central Service courses, and current registration with a regulated health profession.

Consider joining our community hospital team, as we share knowledge, ideas and decision-making to provide excellence in patient care.
