QUALITY IS NOT EXPENSIVE...

IT'S PRICELESS!

When it comes to their vehicle's care, motorists want competent mechanical work performed on their vehicle and at a reasonable price.

The foundation of Sandy's Auto Service in 1975 was to provide a well-equipped shop with skilled technicians who update their training on an on-going basis to keep up with the changes in automotive technology.

Due to the increased computerization and technological changes in newer vehicles today, it seems that fixing a problem is not really as difficult as diagnosing it. Many driveability problems on modern cars are intermittent and difficult to pinpoint. Using sophisticated diagnostic service equipment and up-to-date reference materials, owner Sandy Devitt and the experienced qualified technicians at Sandy's Auto Service can locate the specific problem and formulate the required remedy.

Sandy's Auto Service provides computerized tune-ups and diagnostics, 4 wheel disc and ABS brake work, exhaust systems, shocks and struts, lube-oil-filter service, M.O.T. safety inspections, and major/minor mechanical repairs. They also service and repair engines, transmissions, clutches, and differentials.

This accredited Ontario Drive Clean Test & Repair facility will help you get back on the road as quickly as possible. If your vehicle should fail to meet the required emissions standards, you can expect honest helpful advice. If you have received notification in the mail for your

Drive Clean test, call Sandy's Auto Service soon for your appointment. You will be in and out in 20 minutes.

With Spring just around the corner and gas prices skyrocketing, we want our vehicles to be not only dependable, but efficient. So this month we are offering 20% off labour on your Spring Tune-Up. Sandy says, in addition to your tune-up discount, will take another 20% off your injector service. Your end result is when you get up on that Spring morning and head off to work, your car will start smoothly and you will benefit from a few LESS trips to the gas station.

Our business hours are 8 a.m. to 6 p.m., Monday to Friday, Saturday and Sunday are family time. We are looking forward to meeting you and fulfilling your automobile requirements. All parts and service are fully guaranteed.

Sandy's Auto Service Ltd. is located at 176 Bullock Drive, Unit 8, in Markham. They can be reached at 905-294-3868

Discover the ultimate in Chinese cuisine, fine dining at Elegant Chinese

April 13th marks the official grand opening of Elegant Chinese, the newest fine dining sensation in Markham. Elegant Chinese first opened its doors for business, just 12 days ago, and already has won rave reviews from patrons who are delighted with the restaurant's elegant decor, impeccable service, and award-winning Cantonese-style cuisine.

Formerly located at Finch and Midland Avenues in Scarborough, Elegant Chinese's new location offers an upscale, fine dining experience, which is not typical of most Chinese restaurants. From the restaurant's five-star, state-of-the-art kitchen and fully-automated, hands-free washrooms, to its relaxing and tastefully-decorated dining room, Elegant Chinese is the perfect venue to discover the unique nuances and tastes of traditional Chinese cooking.

"We wanted to open a bigger and very high-end restaurant to meet the need for a Chinese, fine dining experience," says co-owner, Simon Chiu. "We've been open less than two weeks, but are already very busy. Our patrons are very impressed with the restaurant's five-star quality, which is something they've never experienced at other Chinese restaurants."

Chiu's partner, Ken Wong, is the restaurant's award-winning chef, who has more than 25 years' experience in the restaurant business. Through his many travels, Wong has learned the best of eastern culture cuisine and has modified traditional Cantonese dishes to incorporate unique flavours for one-of-a-kind creations. He is Toronto's only Master Chef of Chinese Cuisine, an honour bestowed by the Confrerie de la Chaine des Rotisseurs in France, and has been awarded Master Chef in Cantonese by the Ontario Chinese Restaurant Association.

Elegant Chinese's extensive menu includes over 200 items that are prepared fresh, using only the

Elegant Chinese Cuisine

finest of ingredients. Between 9 am and 3 pm, choose from 79 dim sum items, including 25 that are house specialties. From 5 pm to 11 pm, Chef Wong meticulously prepares menu items such as Golden Crab and Chinese barbecued meat dishes. Round off your meal with sumptuous desserts, including mango pudding and thousand layers cake.

"After our grand opening, we will also have a buffet night every Tuesday evening," Chiu says. "This is a wonderful opportunity to sample a variety of traditional Chinese dishes."

Elegant Chinese seats 180 and has a separate room to accommodate private parties. The subdued lighting, crisp linens and rich mahogany-stained chairs exude sophistication and exquisite taste. The spectacular bar offers an extensive selection of beers, wines and spirits, and the restaurant is wheelchair accessible. As its name implies, Elegant Chinese offers only the finest for its diners, who are all treated as pampered guests.

Elegant Chinese is located at 5328 Highway 7 East, Unit #4 in Markham (the northeast corner of Highway 7 and McCowan Rd.). They can be reached at 905-209-1313.
