

# Stouffville Says

By *Hannelore Volpe*  
With municipalities reducing pesticide use, how do you feel about home use?

— Asked at A & P in Stouffville

Ingrid STOBY

We do spray for grubs, but we have fenced our lawn so no one can get in when it is freshly sprayed. We use protective gear when spraying.

Liz McKEE

I don't use them on my lawns. I spot spray only on the driveway, otherwise I don't use any. I just pull the weeds.

Paulette FRIEDT

If municipalities aren't using them much on their fields, it is not right to use them on your lawns. You are endangering your pets, as well.

Jack DORRIAN

I don't like it. I would prefer that pesticides aren't used. They are bad for the environment and could be a danger to people.
