We are pleased to celebrate our nurses for their 'knowledge and commitment'.

We Thank You!

In celebration of our dedicated nursing staff, we thank you for your ongoing contributions to patient care. As a team, our values of compassion, caring, and respect are key to creating a work environment that supports professional practice and ensures ongoing career growth, development and renewal.

Our Patients Thank You!

"In spite of your demanding schedules and time pressures, I was greatly impressed with your staff who were organized, professional, knowledgeable, efficient and friendly. Time was taken to ensure my stay was both comfortable and relaxing."

B. Corbett, King City

"Your friendly disposition and professional dedication, often going beyond the call of duty, really helped our family during this most difficult time."

Cohen and Krawitz Families, Thornhill

"From the beginning of our experience at York Central Hospital, we were absolutely certain that our new son was receiving the best possible care... Each time we asked questions - no matter how many times we had already asked the same question - they answered patiently and politely."

M. and L. Fantauzzi, Woodbridge

With their expertise and compassion, our nurses make a difference in people's lives 'One Moment at a Time'. We thank you!

We're back in full bloom!

At Kennedy Greenhouses we sell only the highest quality of annuals and perennials so that you can enjoy a healthy and hardy garden the first time around.
