

Speed may be factor

The name of the Toronto man killed in a crash on Hwy. 48 May 6 has been released by police.

Scarborough resident Selvan Anton, 26, was killed when he was ejected from a car that collided head on with a minivan just south of Stouffville Road around 6 a.m.

He was sitting in the passenger seat of the vehicle when the driver lost control after driving through mud and construction debris on the road. A Wal-Mart store is being built near the scene.

After being ejected through the

front window, he was hit by the van.

Speed may have been a factor in the driver losing control, OPP Const. Dave Woodford said.

The delay in releasing the victim's name was due to time spent notifying his family overseas.

Neither driver was seriously hurt, police said.

Charges have not been laid and police are still looking for witnesses.

Anyone with information is asked to call Const. Woodford at 905-841-5777.
