We asked: *What do you think about garbage incineration?*

*You said: I support this project 100 per cent. Put it in my back yard if you want to. I would much rather have a state of the art incinerator than a stinky (compost facility) or a landfill. Let's generate energy from our waste. Lobbying the feds is pointless.*

CANADA MORTGAGE AND HOUSING CORPORATION

DOES YOUR  
RENTAL PROPERTY  
NEED MAJOR REPAIRS?

REQUEST FOR APPLICATIONS  
Residential Rehabilitation Assistance Program (RRAP)

Canada Mortgage and Housing Corporation (CMHC) is providing an opportunity for landlords in Ontario under the Residential Rehabilitation Assistance Program (RRAP).

Limited funds are available in 2006 to repair or rehabilitate a rental or rooming house property to a minimum level of health and safety or to convert non-residential properties into affordable rental or rooming house accommodations.

Landlords must submit applications by 4:30 p.m. Eastern Daylight Time, July 7, 2006. Applications received after this time will not be considered.

Homeowners and private entrepreneurs owning existing family residential properties in Ontario may also apply for RRAP funding to create secondary suites or garden suites for low-income seniors or disabled adults. The secondary/garden suites deadline may be extended depending on number of proposals received.

Please note: Application submission does not guarantee financial assistance. Funding expires March 31, 2007. Funding is available for "Off Reserve" properties only. Work started before loan approval is not eligible for funding.

To obtain an application package, visit [www.cmhc.ca](http://www.cmhc.ca), or call 1-800-704-6488 or e-mail [rrap\\_ontario@cmhc-schl.gc.ca](mailto:rrap_ontario@cmhc-schl.gc.ca)
