What impact will Wal-Mart have on Stouffville?

It probably won't have too much of an effect because there is not too much in town that competes with it. I don't think it will affect the existing grocery stores because I don't see people going to Wal-Mart as a grocery store.

I think a lot of little places will suffer, even the A & P. If people know Wal-Mart is coming, they will go there for sure because of the cheaper prices.

We go to the Wal-Mart in Uxbridge all the time. I was happy to see it in Uxbridge and I will go to the new one here.

I have no use for Wal-Mart whatsoever. I hope that Giant Tiger and other local stores are maintained here.
