how to write an ad THAT WORKS! When placing a Classified ad, include all of these elements for a message that sells! Start the ad with the item, service or job you are advertising. Provide as much information as you can. Always include the price of the item. Use large type, white space, borders or graphics - anything that will make your ad stand out. To get maximum exposure, run your ad for multiple days. Use only standard abbreviations, to avoid confusion. Most important, call 1-800-743-3353 to place your ad. ECONOMIST & SUN Sun-Tribune
