The Queen's Pantry celebrates 25 years

The Queen's Pantry invites you to join the festivities today as Foxy Radio 88.5 broadcasts live at their QUEENSBRIDGE MILL location. There will be hourly in-store promotions and draws for prizes.

Karen and Linda Chadwick, along with their mother, Isobel, opened The Queen's Pantry in The Queen's Hotel on Main Street, Unionville in 1981. It started as an 800 square foot store and has grown offering a fine selection of home furnishings and décor items.

In 1998, the two sisters expanded, purchasing the historic Almira Mill on the 19th Avenue in Markham and named it The Queensbridge Mill.

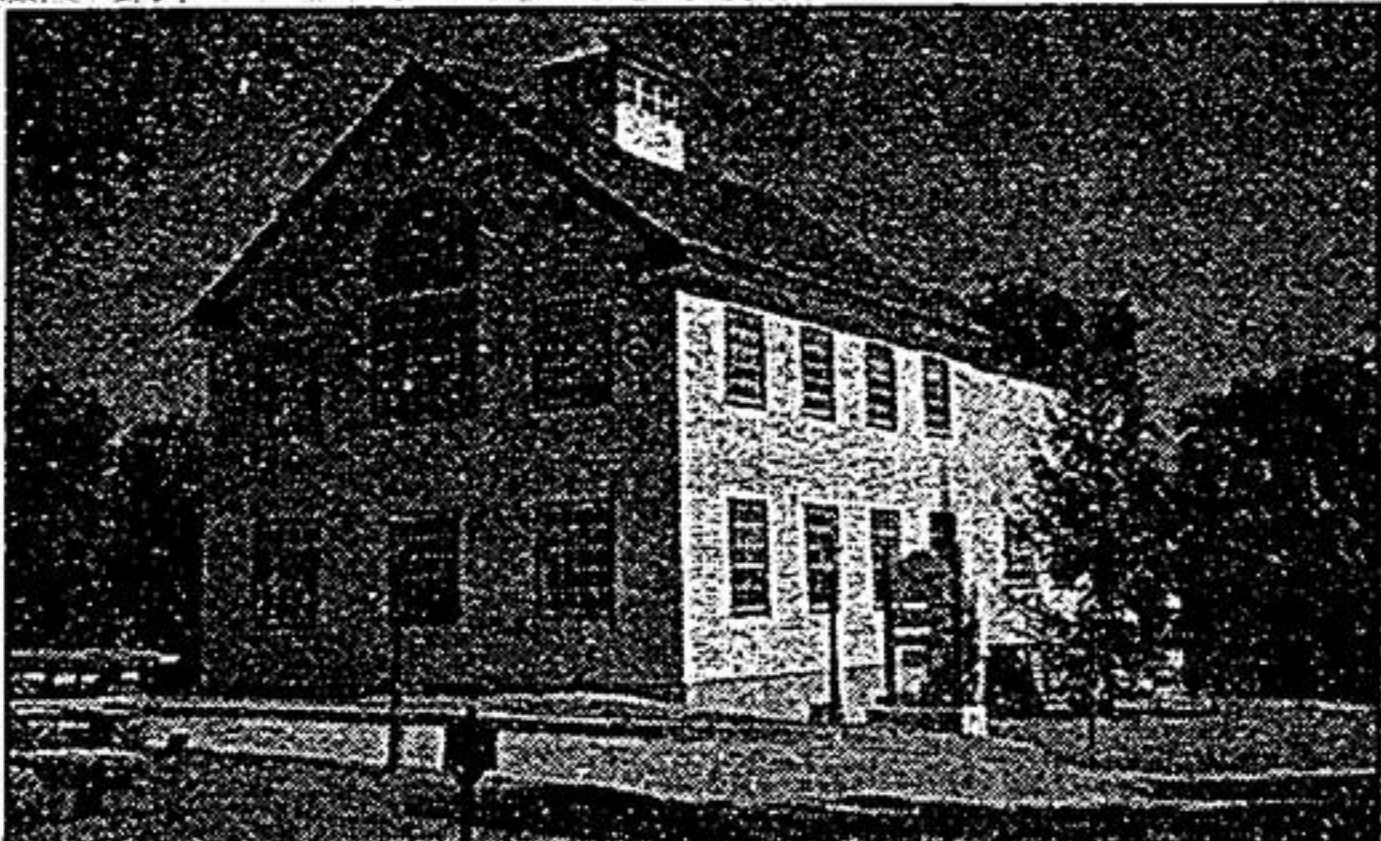

The Mill is 7,000 sq. ft. of fantastic furnishings and accents showcasing their signature paint line- THE PAINT CAFE. There are over 50 colours painted on the walls to inspire you. Thinking of redecorating this fall? Take advantage of the paint sale which runs until October 15th.

The Queen's Pantry offers a full design service including in-home consultation and has been widely recognized as an outstanding design center offering exceptional quality and service with competitive pricing. They were awarded the People's Choice Award for

A New Season ~ A New You at MediSpa Clinic on Main

As Fall approaches and we get back to basics, revitalize your skin to look and feel your best, at MediSpa Clinic on Main.

We're excited to be among the first Medispa clinics to offer cellulite treatment using the state-of-the-art Accent™ system. Pain free and with no downtime, the reduction, utilizing RF technology, can create dramatic change without the need for invasive surgery or even topical anesthetics. Benefits include better circulation and tightening or firming of looser skin. Patient comfort and epidermal protection ensure this therapy has no downtime. Although cellulite treatment is not a weight loss tool, patients may look and feel as though they have lost weight as their bodies are better contoured. For the month of October, book and pay for one treatment and receive a second free.

A Vitalize Peel will improve your skin's texture and tone, lessen fine lines, and produce a healthier, more youthful appearance after just one peel. Safer and more effective than traditional glycolic peels, this gentle treatment smoothes and corrects age spots, fine lines, wrinkles and acne. It incorporates pharmaceutical-grade Vivier skin care products, renowned for its high quality active ingredients. Call for a complimentary consultation and receive a free Vivier Vitamin C Serum sample.

Laser hair removal is a very popular procedure at MediSpa Clinic on Main. Fast, convenient and permanent for most people, the most common areas for women are the upper lip, chin, legs, underarms and bikini. Men see great results on the back, shoulders and front of the neck (a common area for ingrown hairs).

Located in a beautifully restored century home on Stouffville's historic Main Street, MediSpa Clinic on Main welcomes you to the most advanced treatments in skin care and aesthetics.
