Cyclist injured in hit and run

A cyclist was seriously injured in a hit and run collision on Hwy. 48 at Ravenshoe Road in East Gwillimbury.

A man was riding a blue 10-speed bike just after 7 a.m. when he was hit from behind and knocked into the ditch.

The driver of the vehicle fled the scene, OPP Const. Julia McCuaig said.

The cyclist was taken to Holland Landing by ambulance then airlifted to Toronto.

Man charged for possessing kiddie porn

A Toronto man who dropped his computer off for service at a Vaughan shop is facing child pornography charges.

The 43-year-old man brought his computer in for repairs Sept. 7, and a technician discovered what he believed to be images of child pornography on the hard drive.

York Regional Police were called and seized the computer and a forensic search was done on the computer.
