Central York Fire Services is a consolidated fire service that strives to provide excellence in fire protection, prevention, public fire education and emergency services to the residents of Aurora and Newmarket. These two growing, vibrant communities have a combined population of over 125,000 and cover an area of approximately 78 square kilometers. Continued growth and progress has created the need for an additional:

DEPUTY FIRE CHIEF

This key role will work closely with the Fire Chief and existing Deputy Fire Chief in the overall management and leadership of the fire department. Responsibilities include a combination of fire suppression, public education, staff training, fire prevention, and fire-related emergency services. The development, implementation, management and maintenance of a comprehensive emergency management plan are key components of the role. The position will seek innovative approaches to the continuous development and improvement of Divisional services, including administrative, operational and technical matters.

The successful candidate will possess a progressive, supervisory level background within a Fire Services environment. Demonstrated knowledge of applicable legislation, practices and principles of fire investigation, fire protection and fire prevention is essential. Proven senior supervisory experience involving administrative functions, budget preparation, report writing, program development, change management and teambuilding techniques is required. The ability to communicate with a variety of internal and external stakeholders, combined with a collaborative and decisive leadership style are key personal attributes for the role.

This challenging, high profile position will play a significant role in shaping the future of the CYFS, and provides significant opportunities for career progression.
